Description

**New: Rolling deadlines. Updated January 5, 2015.*

AAFC has announced a new deadline under the Industry-led R&D Stream of the AgrilInnovation Program for Agri-Science Projects.

The objective of the AgrilInnovation program is to accelerate the pace of innovation by supporting R&D activities in AgrilInnovation and facilitating the demonstration, commercialization and/or adoption of innovative products, technologies, practices and/or services. The overall Program budget from April 1, 2013 to March 31, 2018 is \$468 million.

Eligibility

The University is NOT an eligible applicant under this program but CAN be a sub-contractor to an Eligible Applicant (e.g. for-profit and not-for-profit organizations that are legal entities).

Maximum Project Value
