## **Kidney Foundation of Canada - Biomedical Research Grant 2017 Competition**

### **Sponsor**

Kidney Foundation of Canada

### **For More Information**

For more information, please go to the [KFOC](#) [1] website.

### **Description**

Biomedical Research Grants provide financial support to medical researchers to assist in defraying the operating costs of research, which may include the purchase of materials, supplies and equipment and the payment of laboratory assistants.

### **Eligibility**

Faculty - Though applicants at all stages of their research career are eligible for funding, The Kidney Foundation wishes to give priority to new investigators in the field of kidney research.

### **Funding Availability**

Max \$50,000/yr – Research must be carried out in Canada

### **Special Notes**

**NEW!**: The page limit will be **reduced to a maximum of 10 pages (including figures and graphs)**

The Biomedical Research Grants Policies 2017 Competition, supersede all previous Kidney Foundation of Canada Biomedical Research Grants Policies. Applicants should always refer to the latest version. KFOC will accept **ONLY** the KFOC CV for the 2017 competition. No other CV formats will be accepted.

### **Registration**

**Required:** September 1, 2016 by 11:59 EST

Applicant must **submit** a completed registration form by email to [elisabeth.fowler@kidney.ca](mailto:elisabeth.fowler@kidney.ca) [2]

## Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**

Type	Date	Notes
