

## Submitting an application through proposalCENTRAL

(<https://proposalcentral.altum.com>)

1. Login, or create a new account for first-time users.
2. Select the “Grant Opportunities” tab.
3. Filter the list by grant maker: “Cystic Fibrosis Canada”.
4. Find the appropriate program on the list and click “Apply Now”.
5. The system will take you through the application steps. Clicking “Next” will save the previous section’s entry.
6. Please note the application instructions in the light blue boxes on each page.
7. Upload all necessary documents (templates provided).
8. Validate your application and submit. You will be prompted by proposalCENTRAL to complete an additional signature page; however, you are NOT required to submit this form.

**For technical support with the online application, contact proposalCENTRAL:**
