

Introduction – Mitacs and Indian Institute of Science (IISc)

Étienne Pineault, Senior Advisor, International
relations

Mitacs Globalink research award (GRA) program and IISc

- Partners since August 2026 – following a Mitacs mission in India in last February. Part of Mitacs' broader engagement in India
- High engagement and interest
 - Webinar in August for the IISc audience to present the GRA program
 - 35 Canadian universities represented today
- IISc funding is offered on top of the Mitacs GRA funding. Mitacs and IISc programs are managed separately. Participants need to submit their proposal to both organizations.
- Allocation stream or quantum stream
