

## Emerging Infectious Diseases Modelling (EIMD) Initiative

### Expression of Interest form

The Emerging Infectious Diseases Modelling funding opportunity will be delivered via a two-stage process. Initially, all interested parties are invited to submit an **Expression of Interest (EOI)**. If you would like to submit an EOI, complete the form below and submit it to NSERC by uploading your completed file on the NSERC's secure portal. The EOI submission deadline is **October 26, 2020; 8 PM Ottawa time**.

Note that given this is a joint initiative, EOI related information may also be shared with the Public Health Agency of Canada.

All fields in this form are mandatory.

<b>Last name:</b>	
<b>First name:</b>	
<b>Affiliation:</b>	
<b>Email address:</b>	
<b>Up to 10 keywords</b> (Describe your expertise in up to 10 keywords. Please separate keywords by a comma.)	
<b>Short description</b> (Describe in 3-4 sentences how you or your organisation can contribute to building knowledge, network and capacity on modelling emerging infectious diseases to support public health actions across Canada in the context of pandemics such as COVID-19.)	
<b>1-2 potential peer reviewers</b> (Given the nature of this funding opportunity, please suggest reviewers that are unlikely to participate in such a network. This will often be reviewers from outside of Canada. Please provide the suggested reviewer's name, affiliation and email address.)	

### Consent to share EOI information

In order to facilitate collaboration, NSERC would like to share your EOI (name, affiliation, email address, keywords, short description) with all other individuals who have also submitted an EOI.

<b>Do you consent to sharing this information with all other individuals who have submitted an EOI?</b>	Yes	No
