

University of Guelph Internal NOI Form* NSERC Research Tools & Instruments (RTI)

Deadline: September 6, 2023

*INTERNAL NOI IS MANDATORY FOR ALL RESEARCHERS SUBMITTING AN APPLICATION TO THE RTI COMPETITION

The University needs to review the requests for equipment prior to the official submission to NSERC to maximize resources and minimize duplication. Researchers must submit a complete NOI form to the Research Services Office (RSO) by September 6, 2023.

IMPORTANT: Researchers may participate in one application, either as an applicant or co-applicant, not both. Also, applicants and co-applicants who were successful in the previous year's RTI competition will be ineligible to apply this year. Therefore, please ensure that all co-applicants listed on your NOI have confirmed that they are participating on **one application only and are eligible**. This applies to co-applicants from other institutions as well.

Please submit your complete NOI form to RSO at: resserv@uoguelph.ca. Please note, these forms will be shared with the Colleges to determine eligibility and subject matter overlap across the University. The information collected is for internal purposes only.

Application Details

Project Title:

Researcher Name	Primary Applicant or Co-Applicant	Early Career Researcher (ECR)	Institution (e.g. "Guelph")	College	Department	Did you receive an RTI award in the previous competition?

Brief description of equipment being requested:

Total value of equipment (\$CAD):
