## University of Guelph Multi-Stage Review Process

### Proposals led by other universities

Interested faculty are invited to submit a notice of intent (NOI). This early notice will enable the Office of Research to better manage the university's allocation. NOIs will **not** be adjudicated.

### Notice of Intent (NOI)

The NOI will include:

#### 1. Project Identification

- Name of the project
- Lead institution
- List of University of Guelph collaborators (including department/college affiliation)

#### 2. Project Description

Please provide a one-paragraph description of the research.

#### 3. Infrastructure

- List of equipment expected to be housed at the University of Guelph and/or to be used by UG researchers
- Estimated allocation request

### To submit the NOI

1. Inform your Associate Dean (Research) and/or College Research Manager of your intent to apply.
2. Submit the NOI to [stratprg@uoguelph.ca](mailto:stratprg@uoguelph.ca)

### Deadlines

Internal deadline: November 5, 2018
