

# Office of Research – Campus Animal Facilities

## May 2025 - April 2026

### External

Prices are for standard use of facilities/resources. Per diem rates cover the cost of normal animal maintenance. There will be an additional charge for sick animals that require additional care such as more frequent monitoring or additional feedings. Please contact **Martha Manning, ext 54304**, to verify availability of space/services and to discuss your specific research needs as well as any specific measures pertinent to your research protocol(s).
