

ARE YOU A MENTAL HEALTH PROVIDER?

WE NEED YOUR HELP!

We are looking for **mental health professionals** with expertise in anxiety and needle fear to provide feedback on an e-resource we created to help adolescents manage **needle-related fear, pain, and fainting**.

To take part, you must:

- live in Canada or the USA
- have English proficiency
- have a Canadian or USA phone number
- be a registered mental health professional
- have internet and a device for audio-video conferencing access
- be willing to keep video on during the virtual interview

What would I be asked to do?

Complete a:

- brief screening questionnaire (~5 minutes)
- brief virtual meeting to confirm eligibility (~10 minutes)
- review of our e-resource (~1 hour) and then attend a 45-60 minute virtual interview about your feedback

Participants get to select a \$20 gift card (e.g., Amazon, Indigo, Walmart, HomeSense/Winners/Marshalls)

If you're interested, please complete the brief screening questionnaire:

https://uoguelph.eu.qualtrics.com/jfe/form/SV_da0tcPfUJ568ryu

Any questions, please contact Emma Truffyn at:

pphc.res@uoguelph.ca

If you heard about this study through an organization, your decision about whether to participate will not impact your services, funding, or employment.
