

ARE YOU ADOLESCENT WITH NEEDLE FEAR? WE NEED YOUR HELP!

We are looking for **adolescents** (13-17) and their **caregiver** (18+) to give us feedback on an e-resource to help with **needle-related fear, pain, and fainting**.

To take part, you must:

- live in Canada or the USA
- have English proficiency
- have a Canadian or USA phone number
- have internet and a device for audio-video conferencing access
- be willing to keep video on during the virtual interview

What would I be asked to do?

Complete a:

- brief screening questionnaire (~5 minutes)
- brief virtual meeting to confirm eligibility (~10 minutes)
- review of our e-resource (~1 hour) and then attend a 45-60 minute virtual interview about your feedback

Adolescents and their caregiver will **each** get to select a \$20 gift card (e.g., Amazon, Indigo, Walmart, HomeSense/Winners/Marshalls)

If you're interested, please complete the brief screening questionnaire:
