

Research Participants Needed!

for a study of autistic lived experiences with therapies

We are looking for

- Autistic individuals over the age of 16
- Who have attended one of the following interventions in Ontario:
 - Applied Behaviour Analysis (ABA) therapy, Intensive Behavioural Intervention (IBI), a social skills intervention (for example, PEERS)

We want to learn about

- Experiences of autistic individuals with autism therapies and interventions, their thoughts on receiving care and accepting autism

What will you do

- Take part in two 45–60 minute interviews (in-person or online)
- Share your experiences with autism therapy or intervention
- You will be offered a \$20–gift card for each interview as an appreciation for your time

Interviews are currently ongoing.
