Second Senate Meeting of 2015-16 Session

Senate held its second meeting of the 2015-16 session on November 30, with President Vaccarino presiding as Chair. Key points from the meeting include:

- The strategic renewal project management team presented preliminary trends and patterns that had emerged from Senate-led strategic renewal conversations. There was a lively discussion around ideas, values and visions for shaping the future of the University.
- Senators approved the list of representatives for the Senate-elected portion of the Strategic Renewal Advisory Committee.
- New admission requirements were approved for the B.A.Sc Kinesiology degree at Guelph-Humber.
- Various reports were presented for information, including:
  - undergraduate and graduate curriculum changes
  - graduate faculty appointments
  - non-degree program reviews and changes
  - research-related annual reporting
  - the Annual Report from the Senate Standing Committee on Student Petitions, which includes information on academic appeals and academic misconduct statistics for 2014-15.

**Fun Fact:** The composition of our Senate is designed so that the total elected membership always outnumbers the total appointed membership. Because...democracy!
