Priorities for the Post-Secondary Sector: Implications for U of G

Presentation to Senate, October 26, 2015
By Charlotte A.B. Yates, VP Academic
Provincial Government Priorities

- Greater Accountability
- Fiscal responsibility and discipline
- Student outcomes, student supports eg. Tuition rebates; mandatory policies to stop sexual violence
- Access to PSE including pathways between College and University
- Differentiation
Budget Constraints

• With provincial deficits and debt, expect no new money for PSE but pressure to improve efficiency (eg. Continued funding of Ontario Online Initiative)

• Exception is the Major Capital Expansion – province has announced Round 2 targeted at Halton-Peel

• What new money there is is targeted at students – services, mitigating tuition costs, etc

• New funding formula – outcomes driven
