Fall 2018
Instructor: Andy Hathaway
Office: MACK-610
Office Hours: TBA
Lecture Time and Location: M/W 12:30-1:20, Location TBA
E-mail: hathawaa@uoguelph.ca

Course Description
The principal goal of the course is to introduce students to the fundamentals of statistical reasoning and to the role of statistical methods in social research. At the end of the course you should be able to read scientific research papers that use basic statistical methods, to undertake elementary data analysis, and to take more advanced courses in social statistics.

Evaluation
Grades will be determined on the basis of the following:

Mid-term 1 (20%)
Mid-term 2 (20%)
Mid-term 3 (20%)
Final exam (30%)
Tutorials (10%)
