# What can I put in my composter?

*Please ensure all items are broken up into small pieces.*

## Compostable

- Raw or cooked grains
- Fruits and vegetables
- Coffee grinds, tea bags, and filters
- Nut and egg shells
- Napkins, paper towels, and all-natural fibres
- Plant material and potting soil

## Non-Compostable

- Meat products and bones
- Dairy products and eggs
- Treated paper products *ex: wax paper, cardboard, and coffee cups*
- Grease, fat, and oil
- Feminine hygiene products
- **Plastic!**
  - “Biodegradable” food containers
- Chemical products
