WEBVTT

00:00:12.949 --> 00:00:17.119

We're starting our welcomes a talk.

00:00:17.119 --> 00:00:20.129

for the BSE program so I'm very excited.

00:00:20.129 --> 00:00:23.339

to be here today and welcome everyone to this orientation event.

00:00:23.339 --> 00:00:26.489

My name is Karen Gordon so I am the.

00:00:26.489 --> 00:00:29.729

associate dean academic for the College of engineering and physical.

00:00:29.729 --> 00:00:32.789

sciences and I'm here with a bunch of other people that.

00:00:32.789 --> 00:00:35.829

will introduce us. We as we carry on today and.

00:00:35.829 --> 00:00:38.879

we're all excited to welcome you first.

00:00:38.879 --> 00:00:42.369

to the University of Guelph and also to The Bachelor of science.

00:00:42.369 --> 00:00:42.369

00:00:42.729 --> 00:00:46.159

In this fall semester, that is unlike.

00:00:46.159 --> 00:00:49.599

any other fall semester that we've ever had before.

00:00:49.599 --> 00:00:52.759

this orientation would normally be held on campus.

00:00:52.759 --> 00:00:56.049

and one of our big lecture halls. And instead we're here together.

00:00:56.049 --> 00:00:59.399

through this teams meeting, which.

00:00:59.399 --> 00:01:02.579

we're all going to get very accustomed to. Meetings of this.

00:01:02.579 --> 00:01:04.169

type over the next few months.

00:01:05.139 --> 00:01:08.249

I'd like to extend his warm welcome, as I can tell if.

00:01:08.249 --> 00:01:11.589

you were excited to have you here an.

00:01:11.589 --> 00:01:15.369

looking forward to this semester and what it brings so.

00:01:15.369 --> 00:01:19.479

I mentioned that I have some other people here with me today.

00:01:20.219 --> 00:01:23.239

I'm going to go through some of these slides and these people.

00:01:23.239 --> 00:01:26.539

will get introduced, so this program.

00:01:26.539 --> 00:01:29.549

The Bachelor of science is overseen by.

00:01:29.549 --> 00:01:32.939

two associate deans, academic myself, I've already introduced.

00:01:32.939 --> 00:01:36.199

myself and I'm also here today with professor Brian husband.

00:01:36.199 --> 00:01:39.579

who is my colleague and counterpart in the College of biological.

00:01:39.579 --> 00:01:42.959

science. And together we're responsible for supporting.

00:01:42.959 --> 00:01:46.189

the undergraduate programs and services are involved.

00:01:46.189 --> 00:01:47.639

with The Bachelor of Science.

00:01:48.429 --> 00:01:51.679

So the two of us together have a lot of oversight.

00:01:51.679 --> 00:01:56.559

on this program, but as you're probably aware, the Besr Sciences very broad.

00:01:56.559 --> 00:02:00.059

In fact, there are five colleges that.

00:02:00.059 --> 00:02:03.439

contribute to The Bachelor of Science degree, so.

00:02:03.439 --> 00:02:06.859

at the University of Guelph we have a number of different colleges.

00:02:06.859 --> 00:02:10.279

across the campus which is similar to other universities where they made have.

00:02:10.279 --> 00:02:14.239

faculties which you might be a little more familiar with so.

00:02:14.239 --> 00:02:17.319

you can see here that the five colleges listed there.

00:02:17.319 --> 00:02:20.879

are the College of engineering and physical sciences, which is my college.

00:02:20.879 --> 00:02:20.879

00:02:21.219 --> 00:02:24.269

Biological science which is doctor husbands college, the.

00:02:24.269 --> 00:02:27.469

Vet College, the Agricultural College and the College of.

00:02:27.469 --> 00:02:30.649

social and applied Human Sciences also contribute to.

00:02:30.649 --> 00:02:34.419

The Bachelor of Sciences program, an.

00:02:34.419 --> 00:02:37.429

resulting from there are 20.

00:02:37.429 --> 00:02:40.569

re 28 different majors that a student.

00:02:40.569 --> 00:02:43.859

could be enrolled in within The Bachelor Science and these are.

00:02:43.859 --> 00:02:46.899

listed on this slide. Here, the.

00:02:46.899 --> 00:02:49.909

tar beside each major title there indicates.

00:02:49.909 --> 00:02:52.349

that those majors do have a Co op option.

00:02:52.749 --> 00:02:56.389

And you'll see that the vast majority of these majors are within.

00:02:56.389 --> 00:02:59.859

College of engineering and physical science or.

00:02:59.859 --> 00:03:03.509

the College of biological science. But there are majors in agriculture.

00:03:03.509 --> 00:03:05.139

and see size as well.

00:03:05.929 --> 00:03:08.989

Basically, the takeaway here. I'm sure you're all very.

00:03:08.989 --> 00:03:12.099

aware already, or probably all enrolled in one of these majors.

00:03:12.099 --> 00:03:15.519

at this point in time is that The Bachelor of science is.

00:03:15.519 --> 00:03:19.209

one of our most diverse programs on the campus.

00:03:19.209 --> 00:03:22.859

Many colleges contribute to it, and there is plenty.

00:03:22.859 --> 00:03:25.989

of opportunity to explore, especially.

00:03:25.989 --> 00:03:29.319

with the way that the first year program that you're all about to move into.

00:03:29.319 --> 00:03:30.519

has been set up.

00:03:32.159 --> 00:03:35.379

So I mentioned that you're all about to move into that.

00:03:35.379 --> 00:03:38.469

first year program an I'll just take a minute or two here.

00:03:38.469 --> 00:03:41.909

on this slide to talk about some of the things you might want to think about.

00:03:41.909 --> 00:03:45.149

this particular first year. So we.

00:03:45.149 --> 00:03:48.179

say this to students every year that this first.

00:03:48.179 --> 00:03:51.269

year experiences. It's foundational so.

00:03:51.269 --> 00:03:54.589

you're taking basic science.

00:03:54.589 --> 00:03:58.269

and math, and that is going to be fundamental.

00:03:58.269 --> 00:04:02.049

to moving through your degree degree in second, 3rd, and 4th year.

00:04:02.549 --> 00:04:05.889

The other thing that's going to happen is you're transitioning to independent.

00:04:05.889 --> 00:04:08.899

learning, so I always try to say to 1st year students this is.

00:04:08.899 --> 00:04:12.829

a different different story than high school.

00:04:12.829 --> 00:04:15.919

You're driving your education.

00:04:15.919 --> 00:04:18.939

now it's yours to take control of.

00:04:18.939 --> 00:04:22.089

and move ahead in. We're here to help and be.

00:04:22.089 --> 00:04:25.099

a partner in that, but you are the one that's going to drive.

00:04:25.099 --> 00:04:28.879

it. I think this fall, potentially.

00:04:28.879 --> 00:04:32.159

ore than other years, really.

00:04:32.159 --> 00:04:33.159

Take that to heart.

00:04:33.549 --> 00:04:37.019

In your engagement.

00:04:37.019 --> 00:04:40.619

this particular file is going to be critical as you move forward.

00:04:40.619 --> 00:04:43.719

ou move forward so take every opportunity you can to

00:04:43.719 --> 00:04:46.879

nstructors to your TAS.

00:04:46.879 --> 00:04:49.909

to your peers and develop.

00:04:49.909 --> 00:04:53.769

that Network 'cause it's going to be to success moving forward.

00:04:53.769 --> 00:04:53.769

00:04:54.379 --> 00:04:57.689

um the other thing to do this this particular year

00:04:57.689 --> 00:05:01.409

earn about student supports that are available to you today.

00:05:01.409 --> 00:05:04.499

is the first day you can start learning about those and just.

00:05:04.499 --> 00:05:07.509

continue to reach out whenever you feel.

00:05:07.509 --> 00:05:10.649

like you have a question that hasn't been answered as you'll hear.

00:05:10.649 --> 00:05:13.709

today. There are plenty of people who are around that can help you answer.

00:05:13.709 --> 00:05:14.729

those questions.

00:05:15.509 --> 00:05:18.569

Then as you move forward in your degree will just talk really.

00:05:18.569 --> 00:05:21.899

quickly about this I know you're all excited to move into your courses

00:05:21.899 --> 00:05:25.079

s in the next couple of days. Second year.

00:05:25.079 --> 00:05:28.469

gives you a bit more vaping opportunity to look at.

00:05:28.469 --> 00:05:31.599

the sciences in depth plan for.

00:05:31.599 --> 00:05:34.669

things. Co op placements. Start thinking about.

00:05:34.669 --> 00:05:37.839

where you're going to go in terms of your career building.

00:05:37.839 --> 00:05:41.179

your profile, and then third year.

00:05:41.179 --> 00:05:44.259

you get to focus even more through electives.

00:05:44.259 --> 00:05:47.509

An explore more of your own personal and professional interests.

00:05:47.509 --> 00:05:47.509

00:05:48.369 --> 00:05:51.519

And plan for your 4th year, which probably seems a long way.

00:05:51.519 --> 00:05:54.789

off right now in terms of those.

00:05:54.789 --> 00:05:57.999

independent study, capstone experience is.

00:05:57.999 --> 00:06:01.079

taking on leadership roles on campus and looking.

00:06:01.079 --> 00:06:04.449

forward to post graduate applications in different.

00:06:04.449 --> 00:06:07.549

career opportunities so.

00:06:07.549 --> 00:06:10.829

I'm now going to pass it over to.

00:06:10.829 --> 00:06:13.909

my colleague that I mentioned doctor Brian husband.

00:06:13.909 --> 00:06:17.079

who is also on the line from College of biological.

00:06:17.079 --> 00:06:19.689

Sciences and let him continue here.

00:06:19.849 --> 00:06:22.859

Just finished by saying it's great to.

00:06:22.859 --> 00:06:26.419

see everyone here and welcome.

00:06:26.419 --> 00:06:29.699

to the University of Guelph. We are very happy to have you here.

00:06:29.699 --> 00:06:29.699

00:06:31.319 --> 00:06:39.729

00:06:48.769 --> 00:06:49.059

Yep.

00:06:55.259 --> 00:06:59.089

00:07:01.559 --> 00:07:09.089

00:07:10.089 --> 00:07:19.089

00:07:21.349 --> 00:07:29.089

00:07:29.929 --> 00:07:39.089

00:07:41.019 --> 00:07:43.779

Sorry for that delay.

00:07:45.139 --> 00:07:47.959

Hello everybody, it's a doctor husband here.

00:07:48.909 --> 00:07:52.349

Just wanted to welcome you here to your first year at the university.

00:07:52.349 --> 00:07:55.689

of Guelph as Doctor Gordon said it promises to be a

00:07:55.689 --> 00:07:58.209

year in a semester like no other.

00:08:01.189 --> 00:08:04.519

I just wanted to carry on the conversation that Doctor Gordon

00:08:04.519 --> 00:08:07.779

started uh in your first year as she pointed

00:08:07.779 --> 00:08:10.959

out you have 2 important goals outside

00:08:10.959 --> 00:08:14.019

of attending the courses that you will have.

00:08:14.019 --> 00:08:14.019

00:08:14.609 --> 00:08:17.669

First, you want to make that transition from.

00:08:17.669 --> 00:08:20.859

high school to university learning and 2nd.

00:08:20.859 --> 00:08:23.879

to familiarize yourself with some of the resources that are available.

00:08:23.879 --> 00:08:26.939

that are available to help you succeed these

00:08:26.939 --> 00:08:30.139

are very important steps and not to be just taken

00:08:30.139 --> 00:08:31.039

granted.

00:08:32.519 --> 00:08:35.579

this slide just talks a little bit about the academic

00:08:35.579 --> 00:08:38.639

side and making that transition from high school to university

00:08:38.639 --> 00:08:41.779

learning um this is an important

00:08:41.779 --> 00:08:44.909

time to develop strategies for learning at a greater

00:08:44.909 --> 00:08:48.289

level of detail and to do that with increased

00:08:48.289 --> 00:08:51.299

independence and that doesn't mean you can't

00:08:51.299 --> 00:08:54.479

ask for help that's not what independence means it's actually

00:08:54.479 --> 00:08:57.679

the opposite what it means is that this is a time

00:08:57.679 --> 00:09:00.759

for you to take control to recognize when you do need

00:09:00.759 --> 00:09:03.709

assistance and to take action and getting that.

00:09:04.299 --> 00:09:07.409

so this is just a quick list of some of the resource

00:09:07.409 --> 00:09:10.929

is that will be available to you to help with your academic learning.

00:09:10.929 --> 00:09:10.929

00:09:11.639 --> 00:09:14.679

Course if you're struggling with some aspect of.

00:09:14.679 --> 00:09:17.719

your courses or you're just curious for more information.

00:09:17.719 --> 00:09:20.739

your first point of contact are the instructors and.

00:09:20.739 --> 00:09:22.779

eaching assistants in your courses.

00:09:23.739 --> 00:09:27.049

for additional support for example in the physical science

00:09:27.049 --> 00:09:30.649

e courses, the Science Commons which is based.

00:09:30.649 --> 00:09:33.909

the library that's where it's physically located

00:09:33.909 --> 00:09:37.139

at least is available to support you through

00:09:37.139 --> 00:09:38.439
rough drop-in appointments.

00:09:39.769 --> 00:09:42.859
for general learning strategies things like

00:09:42.859 --> 00:09:46.029
time management note taking exam

00:09:46.029 --> 00:09:49.159
writing an general sort of learning in a virtual

00:09:49.159 --> 00:09:52.429
environment. There's The Learning Commons which is.

00:09:52.429 --> 00:09:55.779
also based in the library, but it will be available.

00:09:55.779 --> 00:09:57.089
to you online.

00:09:57.879 --> 00:10:00.899
student student accessibility services is another important

00:10:00.899 --> 00:10:04.059
one it's there to support anyone with disabilities

00:10:04.059 --> 00:10:08.279
s that may require particular accommodations and courses so.

00:10:09.079 --> 00:10:12.189
you're going to learn more about those but it's important to at least

00:10:12.189 --> 00:10:15.809
be aware that those exist for you it should

00:10:15.809 --> 00:10:16.549
ou need them.

00:10:18.609 --> 00:10:21.809
there's also a lot of non academic supports that you should be

00:10:21.809 --> 00:10:25.029
familiar with an I can only just briefly touch on some

00:10:25.029 --> 00:10:28.309
of those for you as well for your physical.

00:10:28.309 --> 00:10:31.459
and mental health needs. You want to familiarize.

00:10:31.459 --> 00:10:35.129
ourselves with student wellness services this

00:10:35.129 --> 00:10:38.369

unit provides a whole range of services

00:10:38.369 --> 00:10:41.469

including student health services counseling

00:10:41.469 --> 00:10:44.809

services student accessibility services

00:10:44.809 --> 00:10:47.859

ices which I mentioned in the previous slide along with.

00:10:47.859 --> 00:10:52.049

a whole bunch of other different services for you for the University community.

00:10:53.719 --> 00:10:57.019

you also should be familiar with the office of human rights

00:10:57.019 --> 00:11:00.239

and diversity this is an especially important office

00:11:00.239 --> 00:11:04.059

for anyone that's experiencing any form of discrimination

00:11:04.059 --> 00:11:07.119

or stigma it's important place to learn about

00:11:07.119 --> 00:11:10.579

the steps the university is taking to combat

00:11:10.579 --> 00:11:13.739

racism and discrimination on our campus and

00:11:13.739 --> 00:11:17.039

also provides resource is for being strong ally

00:11:17.039 --> 00:11:20.219

or inclusive leader in the campus

00:11:20.219 --> 00:11:21.019

environment.

00:11:22.519 --> 00:11:25.749

and then lastly uh on this slide just

00:11:25.749 --> 00:11:29.029

wanted to make you aware of a another whole area

00:11:29.029 --> 00:11:32.109

wide range of opportunities to complement what happens in

00:11:32.109 --> 00:11:35.199

the classroom experiential learning hub

00:11:35.199 --> 00:11:38.639

together with career services support all sorts

00:11:38.639 --> 00:11:41.929
of experiential learning opportunities on campus and

00:11:41.929 --> 00:11:44.729
guidance around career planning.

00:11:45.579 --> 00:11:48.949
um and then student experience

00:11:48.949 --> 00:11:52.499
offers a huge range of services and programs

00:11:52.499 --> 00:11:55.899
and activities that are way too no more numerous to list here

00:11:55.899 --> 00:11:58.929
but I really suggest you check out their website

00:11:58.929 --> 00:12:02.029
to see all the different things that they are organizing

00:12:02.029 --> 00:12:05.359
to improve and to strengthen your experience

00:12:05.359 --> 00:12:06.879
here at the University.

00:12:11.009 --> 00:12:14.099
all of this probably seems a little bit overwhelming all

00:12:14.099 --> 00:12:17.419
l these different things to think about already in different resource.

00:12:17.419 --> 00:12:20.669
is that you should be aware of what I would say.

00:12:20.669 --> 00:12:23.779
s the if there's 1 message I can provide

00:12:23.779 --> 00:12:27.339
to you is that maybe the best single point of contact

00:12:27.339 --> 00:12:30.399
tact for getting access to some of these resource are?

00:12:30.399 --> 00:12:33.759
re your program counselors the Bachelor of science program counselors?

00:12:33.759 --> 00:12:37.499
we have a photograph here of the culprits

00:12:37.499 --> 00:12:40.629
rits. Deanna Bonnie Kelly, Rob.

00:12:40.629 --> 00:12:40.629

00:12:41.209 --> 00:12:44.249
and cheryl with a support from wendy

00:12:44.249 --> 00:12:47.589
and aaron all part of the program counseling

00:12:47.589 --> 00:12:51.309
team for the bachelor of science program please

00:12:51.309 --> 00:12:54.389
get to know these people and know how to

00:12:54.389 --> 00:12:57.569
track them down you can see the email there BSE web

00:12:57.569 --> 00:13:01.069
is a great way to track them down if you have questions

00:13:01.069 --> 00:13:04.389
either about navigating your programs making

00:13:04.389 --> 00:13:07.489
adjustments or changes to your programs but also

00:13:07.489 --> 00:13:10.699
these are a great set of resource is for helping

00:13:10.699 --> 00:13:11.189
you find.

00:13:11.239 --> 00:13:14.709
Other resource is on campus that might be of benefit to you.

00:13:14.709 --> 00:13:14.709

00:13:18.849 --> 00:13:21.879
I should also point out that for every

00:13:21.879 --> 00:13:24.979
undergraduate major in the bachelor of science

00:13:24.979 --> 00:13:28.119
there is at least one faculty advisor so

00:13:28.119 --> 00:13:31.109
ese are professors who are.

00:13:31.729 --> 00:13:34.889
There to provide you with maybe.

00:13:34.889 --> 00:13:37.969

more specific information about particular courses or

00:13:37.969 --> 00:13:41.509

about your schedule of courses for your major they

00:13:41.509 --> 00:13:45.269

can be a great place to go if you have questions about post

00:13:45.269 --> 00:13:48.589

graduation kinds of plans

00:13:48.589 --> 00:13:51.689

information about graduate studies for example and

00:13:51.689 --> 00:13:54.749

other career information these people

00:13:54.749 --> 00:13:58.049

are experts in their fields but also have

00:13:58.049 --> 00:14:01.129

lived in this academic world for quite some

00:14:01.129 --> 00:14:04.429

some time and can provide a very different invaluable effective.

00:14:04.719 --> 00:14:05.339

For you.

00:14:07.749 --> 00:14:11.179

finally I've got one last message to send

00:14:11.179 --> 00:14:14.599

d that I just want to remind you of.

00:14:14.599 --> 00:14:17.819

how hard you've worked to get to this point.

00:14:17.819 --> 00:14:21.119

to be able to study at the University of Guelph.

00:14:21.119 --> 00:14:24.519

You've earned the privilege to learn and develop your knowledge.

00:14:24.519 --> 00:14:27.659

and your skills in preparation for a wide range

00:14:27.659 --> 00:14:31.539

of postgraduate paths that you might be interested in and

00:14:31.539 --> 00:14:34.919

I just wanted to emphasize as sincerely

00:14:34.919 --> 00:14:38.679

as I can that with that privilege comes the responsibility.

00:14:38.679 --> 00:14:40.359
to study with integrity.

00:14:40.659 --> 00:14:41.949
And with honesty.

00:14:43.699 --> 00:14:47.209
uh from time to time maybe when you're really stressed

00:14:47.209 --> 00:14:50.289
or under pressure you might feel tempted to take

00:14:50.289 --> 00:14:53.319
a shortcut in your classes save

00:14:53.319 --> 00:14:56.549
to submit someone else's work as your own or to rely.

00:14:56.549 --> 00:14:59.749
too heavily on somebody else's influence when completing

00:14:59.749 --> 00:15:03.039
assignments or exams this ultimately

00:15:03.039 --> 00:15:06.209
violates the trust on which all learning on this

00:15:06.209 --> 00:15:09.529
campus depends and I would warn you

00:15:09.529 --> 00:15:11.449
to avoid that at all costs.

00:15:13.209 --> 00:15:16.659
please take the time to familiarize yourself with academic

00:15:16.659 --> 00:15:19.719
integrity in academic misconduct on our.

00:15:19.719 --> 00:15:23.059
campus and you can find the policy's for that

00:15:23.059 --> 00:15:27.119
in the undergraduate academic calendar or

00:15:27.119 --> 00:15:30.219
using this under this tutorial that's available

00:15:30.219 --> 00:15:33.979
here academic integrity dot uoguelph dot

00:15:33.979 --> 00:15:37.459
CA it's critical that you be aware

00:15:37.459 --> 00:15:40.719

that the university has clear guidelines about

00:15:40.719 --> 00:15:44.129

what is acceptable and what is not acceptable behavior

00:15:44.129 --> 00:15:44.129

00:15:44.269 --> 00:15:47.139

And they take dishonesty very seriously.

00:15:47.879 --> 00:15:51.259

The consequences can have a significant impact on your grades.

00:15:51.259 --> 00:15:54.579

on your program completion, and hence even on your.

00:15:54.579 --> 00:15:57.819

bility to succeed after university so don't

00:15:57.819 --> 00:15:58.749

take a chance.

00:15:59.599 --> 00:16:03.199

if you're unsure about what is appropriate or inappropriate

00:16:03.199 --> 00:16:06.559

behavior please remember that there's

00:16:06.559 --> 00:16:10.239

s a lot of information in the undergraduate academic calendar.

00:16:10.239 --> 00:16:14.029

better, go talk to somebody talked to instructor.

00:16:14.029 --> 00:16:17.069

talked to a program counselor, or come and talk to.

00:16:17.069 --> 00:16:20.479

an associate dean academic. That's what's.

00:16:20.479 --> 00:16:23.699

hat's needed better to get the information than to take

00:16:23.699 --> 00:16:24.329

o take a chance.

00:16:25.879 --> 00:16:29.369

so with that I want to welcome you again to the university

00:16:29.369 --> 00:16:32.829

wish you the very best of luck this semester and now

00:16:32.829 --> 00:16:36.209

I'm going to turn this over to rob guthrie one

00:16:36.209 --> 00:16:37.739

of your program counselors.

00:16:37.769 --> 00:16:47.769

00:16:57.179 --> 00:16:57.769

00:17:01.619 --> 00:17:04.819

well hello everybody I'd like to add

00:17:04.819 --> 00:17:08.009

my personal welcome to all

00:17:08.009 --> 00:17:11.349

of our new BSC students and

00:17:11.349 --> 00:17:14.449

before we get started I'd like to just send

00:17:14.449 --> 00:17:17.789

a special thank you to professor gordon

00:17:17.789 --> 00:17:21.449

and professor husband our associate deans academic

00:17:21.449 --> 00:17:24.629

for joining us today it was great to have

00:17:24.629 --> 00:17:28.429

them here and to give you an introductory

00:17:28.429 --> 00:17:30.129

view of.

00:17:30.249 --> 00:17:33.539

of the program so uh thanks very much

00:17:33.539 --> 00:17:37.079

to the both of you I thought I'd start

00:17:37.079 --> 00:17:41.479

my little section of the presentation with

00:17:41.479 --> 00:17:44.519

something from campus so this

00:17:44.519 --> 00:17:47.559

is the sign that appears over our

00:17:47.559 --> 00:17:50.889

office door in the

00:17:50.889 --> 00:17:50.889

00:17:50.939 --> 00:17:54.609
academic counseling center don't worry

00:17:54.609 --> 00:17:57.889
uh like you we

00:17:57.889 --> 00:18:01.429
may not be physically present on campus

00:18:01.429 --> 00:18:04.949
this semester but we are absolutely

00:18:04.949 --> 00:18:08.729
still available to help so

00:18:08.729 --> 00:18:12.029
the program counselors although we are working

00:18:12.029 --> 00:18:15.349
remotely we do have appointments available

00:18:15.349 --> 00:18:18.409
we are monitoring

00:18:18.409 --> 00:18:21.239
our email closely and.

00:18:21.289 --> 00:18:25.449
we also have online chat that

00:18:25.449 --> 00:18:28.159
is available through our website as well.

00:18:28.839 --> 00:18:31.899
so lots of ways for

00:18:31.899 --> 00:18:35.199
us to provide you with

00:18:35.199 --> 00:18:38.519
assistance even though um we are

00:18:38.519 --> 00:18:41.949
not on campus to do that face to face

00:18:41.949 --> 00:18:44.999
OK also included a couple of links at

00:18:44.999 --> 00:18:48.119
the bottom of this slide just for other

00:18:48.119 --> 00:18:51.699
helpful places where you can go to get information

00:18:51.699 --> 00:18:55.099
the undergraduate academic information

00:18:55.099 --> 00:18:58.139
center and also the learning commons in

00:18:58.139 --> 00:18:59.039
the library.

00:19:03.709 --> 00:19:07.119
we do our best to keep our own website

00:19:07.119 --> 00:19:10.539
the BSE website up-to-date an relevant

00:19:10.539 --> 00:19:13.659
and so this is a particularly good place for

00:19:13.659 --> 00:19:16.729
you to start if you are

00:19:16.729 --> 00:19:20.219
unsure or have a question

00:19:20.219 --> 00:19:23.949
then by all means check out our website

00:19:23.949 --> 00:19:27.039
our mailing address or E mailing address

00:19:27.039 --> 00:19:30.239
sorry for all communication with our

00:19:30.239 --> 00:19:32.119
can be sent.

00:19:32.169 --> 00:19:35.559
2 B SC web at

00:19:35.559 --> 00:19:38.129
uoguelph.ca.

00:19:44.019 --> 00:19:47.229
I think probably most importantly

00:19:47.229 --> 00:19:50.239
for this semester more than any other

00:19:50.239 --> 00:19:53.739
is we are really encouraging students

00:19:53.739 --> 00:19:56.989
to carefully review the information that

00:19:56.989 --> 00:20:00.669
you can find in your course outline

00:20:00.669 --> 00:20:04.149
this will be available for each class

00:20:04.149 --> 00:20:07.389
that you take it's posted in

00:20:07.389 --> 00:20:09.549
in our online system.

00:20:09.609 --> 00:20:13.199
called course link some other institutions

00:20:13.199 --> 00:20:16.399
might refer to these as a syllabus so

00:20:16.399 --> 00:20:19.779
please spend the time to review

00:20:19.779 --> 00:20:22.819
your course outline for each

00:20:22.819 --> 00:20:25.979
of your classes as it contains a

00:20:25.979 --> 00:20:30.109
wide variety of really important information

00:20:30.109 --> 00:20:30.109

00:20:34.139 --> 00:20:37.309
our online course registration

00:20:37.309 --> 00:20:40.349
system is called web advisor and

00:20:40.349 --> 00:20:43.689
I expect that the majority of you will already

00:20:43.689 --> 00:20:47.089
be familiar with this with

00:20:47.089 --> 00:20:50.249
this program as it is what you used in

00:20:50.249 --> 00:20:53.729
order to register for your fall 20 courses

00:20:53.729 --> 00:20:56.769

one very important item on the

00:20:56.769 --> 00:21:00.009
web advisor menu is your program

00:21:00.009 --> 00:21:03.329
or academic evaluation this

00:21:03.329 --> 00:21:05.009
is essentially your degree.

00:21:05.059 --> 00:21:08.669
audit that will help guide you through

00:21:08.669 --> 00:21:12.269
all the requirements for your specific

00:21:12.269 --> 00:21:15.299
major in the B SC degree.

00:21:15.299 --> 00:21:15.299

00:21:17.629 --> 00:21:21.429
and although this document has a rather old-fashioned

00:21:21.429 --> 00:21:24.569
appearance with a font that must come from.

00:21:24.569 --> 00:21:27.769
the 1980s, it is well worth.

00:21:27.769 --> 00:21:31.209
the time to take a quick look.

00:21:31.209 --> 00:21:34.529
at your program evaluation over the next.

00:21:36.709 --> 00:21:40.459
The program counselors and staff in our office.

00:21:40.459 --> 00:21:43.709
along with your faculty advisors for.

00:21:43.709 --> 00:21:46.719
your specific major, can also help.

00:21:46.719 --> 00:21:50.419
to guide you through your degree requirements.

00:21:50.419 --> 00:21:54.139
and answer any questions that you may have.

00:21:54.139 --> 00:21:57.519
At this point. Rest assured.

00:21:57.519 --> 00:22:00.599
that as long as you are registered for.

00:22:00.599 --> 00:22:04.399
your required courses for the fall 20 semester.

00:22:04.399 --> 00:22:07.689
then everything is going to be OK.

00:22:07.689 --> 00:22:07.689

00:22:12.509 --> 00:22:15.749
Some important facts to help clear up any.

00:22:15.749 --> 00:22:19.069
confusion regarding how things.

00:22:19.069 --> 00:22:23.389
operate here at the University of Guelph, the.

00:22:23.389 --> 00:22:26.469
ast day for any student to.

00:22:26.469 --> 00:22:30.029
add a new course to the fall.

00:22:30.029 --> 00:22:33.859
20 semester is.

00:22:33.859 --> 00:22:36.889
September 18th, so that is to add.

00:22:36.889 --> 00:22:39.949
a new course or even to change to.

00:22:39.949 --> 00:22:40.649
a different.

00:22:40.709 --> 00:22:44.119
Time slot of a course that you are already registered.

00:22:44.119 --> 00:22:47.599
in, so that must be done no.

00:22:47.599 --> 00:22:50.979
later than September 18th I'm.

00:22:50.979 --> 00:22:54.039
sure that everybody is aware that classes are scheduled to.

00:22:54.039 --> 00:22:57.079
start on Thursday that September 10th.

00:22:57.079 --> 00:23:00.099

so please try not to wait till the very.

00:23:00.099 --> 00:23:01.939

last minute to get registered.

00:23:02.679 --> 00:23:06.309

As you potentially will already have missed.

00:23:06.309 --> 00:23:09.329

a full week of classes if you wait.

00:23:09.329 --> 00:23:12.589

all the way till the 18th the last.

00:23:12.589 --> 00:23:15.759

day to drop a course is the.

00:23:15.759 --> 00:23:18.879

last class day of the semester.

00:23:18.879 --> 00:23:22.189

OK so if you drop a course on.

00:23:22.189 --> 00:23:25.559

or before December 2nd then.

00:23:25.559 --> 00:23:28.629

the course simply disappears from your record so.

00:23:28.629 --> 00:23:31.659

it was like you never took it, OK?

00:23:31.659 --> 00:23:33.719

in order to pass the course.

00:23:33.779 --> 00:23:37.739

Greater 50 is needed, although.

00:23:37.739 --> 00:23:40.839

in order to graduate from.

00:23:40.839 --> 00:23:43.959

Hons BSC degree that's our four.

00:23:43.959 --> 00:23:47.339

year program that the vast majority of students are registered.

00:23:47.339 --> 00:23:50.359

in order to graduate from the.

00:23:50.359 --> 00:23:53.479

hons. BSC, you must have a minimum.

00:23:53.479 --> 00:23:56.699

cumulative average of at least 60%.

00:23:56.699 --> 00:23:56.699

00:24:00.409 --> 00:24:03.689

In our office, we tend to hear a lot of rumors.

00:24:03.689 --> 00:24:06.889

and even rumors that are coming from.

00:24:06.889 --> 00:24:09.929

4th year senior students so.

00:24:09.929 --> 00:24:13.409

a few myths that we just wanted to clarify.

00:24:13.409 --> 00:24:16.879

As you start your studies here at the university.

00:24:16.879 --> 00:24:16.879

00:24:19.669 --> 00:24:22.739

It's very important that all students.

00:24:22.739 --> 00:24:25.979

ensure that your class schedule is.

00:24:25.979 --> 00:24:29.419

conflict free. OK, web advisor.

00:24:29.419 --> 00:24:33.339

will not do this for you even.

00:24:33.339 --> 00:24:36.839

with remote learning in fall 20.

00:24:36.839 --> 00:24:39.939

OK synchronous courses which are.

00:24:39.939 --> 00:24:42.999

indicated as a DS in.

00:24:42.999 --> 00:24:46.069

web advisor, must still be conflict.

00:24:46.069 --> 00:24:49.999

free unless you have information otherwise.

00:24:49.999 --> 00:24:49.999

00:24:50.289 --> 00:24:51.219

The Professor.

00:24:52.359 --> 00:24:55.589
Asynchronous courses, those that are listed.

00:24:55.589 --> 00:24:58.829
as a DA or distance.

00:24:58.829 --> 00:25:01.909
ed courses distance education courses.

00:25:01.909 --> 00:25:05.709
Those classes or sections.

00:25:05.709 --> 00:25:09.209
will have no scheduled class times.

00:25:09.209 --> 00:25:09.209

00:25:11.509 --> 00:25:15.019
A question we often get, especially as December.

00:25:15.019 --> 00:25:18.159
approaches and final exams or around the corner.

00:25:18.159 --> 00:25:21.399
regarding having 3 final exams.

00:25:21.399 --> 00:25:25.059
scheduled within a 24 hour period there.

00:25:25.059 --> 00:25:28.549
is no rule that prevents a student.

00:25:28.549 --> 00:25:31.779
from writing three exams in a 20.

00:25:31.779 --> 00:25:35.379
hour period. Some students feel that.

00:25:35.379 --> 00:25:38.339
this is a conflict, but that is not the case.

00:25:39.969 --> 00:25:43.579
Once you pass the course, you may not.

00:25:43.579 --> 00:25:46.799
retake that course in order to.

00:25:46.799 --> 00:25:50.079
achieve a higher grade. OK, so once.

00:25:50.079 --> 00:25:53.659
the course has been successfully completed, it cannot.

00:25:53.659 --> 00:25:56.729
be retaken if you repeat.

00:25:56.729 --> 00:26:00.279
a failed course both attempts.

00:26:00.279 --> 00:26:03.409
of though that course will appear.

00:26:03.409 --> 00:26:06.739
on your transcript and will count towards.

00:26:06.739 --> 00:26:10.439
your cumulative average, so repeated.

00:26:10.439 --> 00:26:10.439

00:26:10.609 --> 00:26:13.849
Failed course does not.

00:26:13.849 --> 00:26:17.459
replace the old grade, both attempts.

00:26:17.459 --> 00:26:20.619
continue to appear on your transcript.

00:26:20.619 --> 00:26:24.119
and finally because.

00:26:24.119 --> 00:26:27.279
e the grading scheme that is indicated.

00:26:27.279 --> 00:26:30.299
in your course outlines must always be.

00:26:30.299 --> 00:26:33.809
followed due to that, it is not possible.

00:26:33.809 --> 00:26:36.839
for students to take an extra courses.

00:26:36.839 --> 00:26:40.569
Sorry to take an extra assignments.

00:26:40.569 --> 00:26:40.569

00:26:40.719 --> 00:26:43.729
In order to gain credit in the course.

00:26:43.729 --> 00:26:43.729

00:26:48.209 --> 00:26:51.219

And just as I'm finishing up.

00:26:51.219 --> 00:26:54.279
now, some final pieces of advice for you.

00:26:54.279 --> 00:26:57.479
please always.

00:26:57.479 --> 00:27:00.859
always, always make sure to use.

00:27:00.859 --> 00:27:04.059
your University of Guelph email address.

00:27:04.059 --> 00:27:07.239
for any type of communication you have.

00:27:07.239 --> 00:27:10.279
with the university most department's.

00:27:10.279 --> 00:27:13.359
including those of us in the BSE.

00:27:13.359 --> 00:27:16.859
academic counseling center will not.

00:27:16.859 --> 00:27:18.399
normally respond.

00:27:18.449 --> 00:27:21.619
Two other account types as.

00:27:21.619 --> 00:27:25.899
we cannot verify your identity when.

00:27:25.899 --> 00:27:29.339
in doubt, please if you have any questions.

00:27:29.339 --> 00:27:32.539
we are a good place to start and if.

00:27:32.539 --> 00:27:35.639
we're not able to assist you directly, then odds.

00:27:35.639 --> 00:27:38.799
re we'll be able to refer you to.

00:27:38.799 --> 00:27:40.549
the right people that can.

00:27:42.059 --> 00:27:45.139
and finally absolutely love

00:27:45.139 --> 00:27:48.479
e your friends. But please always check.

00:27:48.479 --> 00:27:51.899
with your program counselor or the staff in the vse.

00:27:51.899 --> 00:27:54.999
counseling center before you.

00:27:54.999 --> 00:27:58.279
follow their academic advice. OK, so.

00:27:58.279 --> 00:28:01.359
always best to clarify anything.

00:28:01.359 --> 00:28:04.419
If something sounds too good to be true.

00:28:04.419 --> 00:28:05.929
it likely is.

00:28:10.739 --> 00:28:13.809
So that's the final slide from.

00:28:13.809 --> 00:28:17.229
me. Just a quick reminder everyone.

00:28:17.229 --> 00:28:20.689
that tomorrow on Wednesday there.

00:28:20.689 --> 00:28:23.829
will be individual meetings held for your.

00:28:23.829 --> 00:28:27.269
specific major, so those are meetings for major.

00:28:27.269 --> 00:28:30.589
scheduled tomorrow. Please check the.

00:28:30.589 --> 00:28:33.329
guide available online.

00:28:34.719 --> 00:28:37.839
The particulare time where you're meeting.

00:28:37.839 --> 00:28:41.139
ll be held on all of the majors in

00:28:41.139 --> 00:28:44.159
the BSC program will be having a.

00:28:44.159 --> 00:28:47.429
meeting scheduled tomorrow, so I really encourage.

00:28:47.429 --> 00:28:48.739
you to attend.

00:28:49.469 --> 00:28:52.789

So that's all for the formal.

00:28:52.789 --> 00:28:55.919

part of the presentation, what we're?

00:28:55.919 --> 00:28:59.099

going to do our best now is.

00:28:59.099 --> 00:29:02.179

to try to hold a little bit of A.

00:29:02.179 --> 00:29:05.839

question and answer period. So questions.

00:29:05.839 --> 00:29:08.919

can be submitted in writing, OK?

00:29:08.919 --> 00:29:08.919

00:29:10.249 --> 00:29:13.729

Using the little icon.

00:29:13.729 --> 00:29:13.729

00:29:14.309 --> 00:29:17.319

For question and answers that.

00:29:17.319 --> 00:29:20.709

likely located at near the top of your screen.

00:29:20.709 --> 00:29:24.009

and we're going to have.

00:29:24.009 --> 00:29:26.859

a slide put up.

00:29:27.549 --> 00:29:30.859

There we go. I think that slide is showing now. Thank you.

00:29:30.859 --> 00:29:34.499

were going to have that slide put up to.

00:29:34.499 --> 00:29:38.519

dicate where to go to answer your questions and

00:29:38.519 --> 00:29:40.099

nd from time to time.

00:29:42.249 --> 00:29:45.569

The program counselors or staff.

00:29:45.569 --> 00:29:48.629

members from our office may chime in.

00:29:48.629 --> 00:29:52.249
an answer alive question, specially if it's a question.

00:29:52.249 --> 00:29:55.559
that we seem to be getting a fair amount.

00:29:55.559 --> 00:29:59.369
Otherwise, please ask your questions.

00:29:59.369 --> 00:30:00.649
in writing.

00:30:02.239 --> 00:30:05.509
And we will do our best to try and answer.

00:30:05.509 --> 00:30:09.289
them as quickly as we can. This.

00:30:09.289 --> 00:30:12.679
orientation meeting is scheduled to go to.

00:30:12.679 --> 00:30:16.129
1:50 PM. That's one.

00:30:16.129 --> 00:30:19.369
and we're now.

00:30:19.369 --> 00:30:22.849
just one o'clock, so we have plenty of time.

00:30:22.849 --> 00:30:25.989
for questions. By all means chime.

00:30:25.989 --> 00:30:29.029
in and ask if there's anything you'd like.

00:30:29.029 --> 00:30:32.049
to talk about, and we will do.

00:30:32.049 --> 00:30:33.609
our best to answer them.

00:30:33.759 --> 00:30:37.509
If we've answered all your questions.

00:30:37.509 --> 00:30:40.929
we may end up at ending.

00:30:40.929 --> 00:30:43.949
the this meeting before 150.

00:30:43.949 --> 00:30:47.149
but we're willing to stay here till then.

00:30:47.149 --> 00:30:49.509
to answer any questions that you have.

00:30:50.739 --> 00:30:53.989
So I think at this point I'm.

00:30:53.989 --> 00:30:57.209
just going to let the.

00:30:57.209 --> 00:31:00.549
slide stay on the screen and.

00:31:00.549 --> 00:31:05.969
we will chime in again as needed. In the meantime, please submit.

00:31:05.969 --> 00:31:09.359
your questions in writing through the question and answer chat.

00:31:09.359 --> 00:31:10.909
hat. Thank you very much.

00:31:10.939 --> 00:31:20.939

00:31:20.939 --> 00:31:30.939

00:31:30.939 --> 00:31:40.939

00:31:40.939 --> 00:31:50.939

00:31:50.939 --> 00:32:00.939

00:32:00.939 --> 00:32:10.939

00:32:10.939 --> 00:32:20.939

00:32:20.939 --> 00:32:30.939

00:32:30.939 --> 00:32:40.939

00:32:40.939 --> 00:32:50.939

00:32:50.939 --> 00:33:00.939

00:33:00.939 --> 00:33:10.939

00:33:10.939 --> 00:33:20.939

00:33:20.939 --> 00:33:30.939

00:33:30.939 --> 00:33:40.939

00:33:40.939 --> 00:33:50.939

00:33:50.939 --> 00:34:00.939

00:34:00.939 --> 00:34:10.939

00:34:10.939 --> 00:34:20.939

00:34:20.939 --> 00:34:30.939

00:34:30.939 --> 00:34:40.939

00:34:40.939 --> 00:34:50.939

00:34:50.939 --> 00:35:00.939

00:35:00.939 --> 00:35:10.939

00:35:10.939 --> 00:35:20.939

00:35:20.939 --> 00:35:30.939

00:35:30.939 --> 00:35:40.939

00:35:40.939 --> 00:35:50.939

00:35:50.939 --> 00:36:00.939

00:36:00.939 --> 00:36:10.939

00:36:10.939 --> 00:36:20.939

00:36:20.939 --> 00:36:30.949

00:36:30.949 --> 00:36:40.949

00:36:40.949 --> 00:36:50.949

00:36:50.949 --> 00:37:00.949

00:37:00.949 --> 00:37:10.949

00:37:10.949 --> 00:37:20.949

00:37:20.949 --> 00:37:30.949

00:37:30.949 --> 00:37:40.949

00:37:40.949 --> 00:37:50.949

00:37:50.949 --> 00:38:00.949

00:38:00.949 --> 00:38:10.949

00:38:10.949 --> 00:38:20.949

00:38:20.949 --> 00:38:30.949

00:38:30.949 --> 00:38:40.949

00:38:40.949 --> 00:38:50.949

00:38:50.949 --> 00:39:00.949

00:39:00.949 --> 00:39:10.949

00:39:10.949 --> 00:39:20.949

00:39:20.949 --> 00:39:30.949

00:39:30.949 --> 00:39:40.949

00:39:40.949 --> 00:39:50.949

00:39:50.949 --> 00:40:00.949

00:40:00.949 --> 00:40:10.949

00:40:10.949 --> 00:40:20.949

00:40:20.949 --> 00:40:30.949

00:40:30.949 --> 00:40:40.949

00:40:40.949 --> 00:40:50.949

00:40:50.949 --> 00:41:00.949

00:41:00.949 --> 00:41:10.949

00:41:10.949 --> 00:41:20.939

00:41:21.149 --> 00:41:31.159

00:41:31.159 --> 00:41:41.159

00:41:41.159 --> 00:41:51.159

00:41:51.159 --> 00:42:01.159

00:42:01.159 --> 00:42:11.159

00:42:11.159 --> 00:42:21.159

00:42:21.159 --> 00:42:31.159

00:42:31.159 --> 00:42:41.159

00:42:41.159 --> 00:42:51.159

00:42:51.159 --> 00:43:01.159

00:43:01.159 --> 00:43:11.159

00:43:11.159 --> 00:43:21.159

00:43:21.159 --> 00:43:31.159

00:43:31.159 --> 00:43:41.159

00:43:41.159 --> 00:43:51.159

00:43:51.159 --> 00:44:01.159

00:44:01.159 --> 00:44:11.159

00:44:11.159 --> 00:44:21.159

00:44:21.159 --> 00:44:31.159

00:44:31.159 --> 00:44:41.159

00:44:41.159 --> 00:44:51.159

00:44:51.159 --> 00:45:01.159

00:45:01.159 --> 00:45:11.159

00:45:11.159 --> 00:45:21.159

00:45:21.159 --> 00:45:31.159

00:45:31.159 --> 00:45:41.159

00:45:41.159 --> 00:45:51.159

00:45:51.159 --> 00:46:01.159

00:46:01.159 --> 00:46:11.159

00:46:11.159 --> 00:46:21.149
