# United Way Campaign 2018

**Change starts here, at University of Guelph**

**THANK-YOU!** Owing to the generosity of faculty, staff, students and retirees, University of Guelph was the largest workplace contributor to our local United Way, raising an outstanding \$650,000! These funds are directed to 76 vital social and health service programs in Guelph, Wellington and Dufferin. These programs could not happen without your volunteer time and financial support.
