United Way

Community Investment, 2015

Thanks to the generosity of our corporate and individual donors, and support of our partners throughout the community, United Way Guelph Wellington Dufferin is providing \$2.72 million in funding to 95 social service programs at 57 local charitable organizations and community agencies in 2015. These funds were raised and allocated in 2014, and will be distributed between April 1, 2015 and March 31, 2016.
