Dufferin

When you donate to United Way you support a network of local programs that help thousands of people in our community on their journey to a better quality of life. This year, United Way is providing long-term funding to 86 programs at 53 local agencies, providing lasting, positive change in the lives of many – our families, our friends and our neighbours. Every day, your donation to United Way makes **change start here.**

### From Poverty to Possibility

Many of our communities' most vulnerable are families and children who simply can't make ends meet. United Way funds programs to ensure basic needs - food, shelter, clothing and employment are available to those who need them. We also work with community partners to help break the cycle of poverty for future generations.
