Upon receipt of such notice, the Labour/Management Committee shall convene a meeting, during the thirty (30) day period, with appropriate representatives of University Administration, to provide the Union the opportunity to provide input and/or make a presentation on the issue. Personal conduct or behaviour also constitutes harassment, whether or not it is based on Code prohibited grounds, when it creates an intimidating, demeaning or hostile working environment.

5.03 The University and the Union agree to the definition of harassment as defined in the University of Guelph’s Human Rights Policy and Procedures.

5.04

(a) The Parties agree that any allegation of harassment under this Article shall be handled through the grievance procedure in a confidential manner.

Chair/Director, or Dean, refer the grievance to the next highest step of the grievance procedure.

5.05 Where an employee has filed a grievance alleging that they have been a victim of harassment they shall have the right to Union representation and shall not have to be present at any meeting with the alleged harasser. The Union Designate may speak on their behalf at any stage of the grievance process. The employee may request of the Dean (or designate) of their College, or the Vice-Provost at the University of Guelph-Humber, that their employment duties be modified, as the particular circumstances dictate, in order to eliminate contact with the alleged harasser during the period of investigation. Such request will not be unreasonably denied and when granted, the grievor shall not experience a loss of pay or seniority or other entitlement provided for under this Agreement.

   (b) The University shall remit the amount deducted to the President or designate of the Union immediately following the pay period in which deductions were made and at the same time forward a list of names, Departments and job titles of the employees from whom the deductions were made.

   (c) Upon request the University will provide any available and additional pertinent information necessary to assist the Union in completing the required Federal and Provincial statistics survey.

This list will be updated immediately following the second pay period of the semester and again immediately following the fourth pay period of the semester.

6.02 The Union shall indemnify and save the University harmless from any and all claims, lawsuits, judgments, attachments, and from any form of liability arising from or as a result of the deduction or non-deduction of such dues. In circumstances where it is determined that an individual should have been in the Bargaining Unit and therefore paying dues and where such individual is no longer an employee as defined in 1.04 (h), the University shall reimburse the Union for the full amount of such arrears to a maximum of four (4) semesters of dues and the individual’s seniority shall be adjusted accordingly.

6.03

   (a) The University shall endeavour to have sufficient copies of this Agreement printed within forty-five (45) days of ratification by both Parties. The Union will reimburse the University for one-fifth (1/5) of the costs. The Agreement shall be printed at a unionized printer of the Union’s choice, with the printer’s Union logo clearly visible.

   (b) The University shall forward to employees who are earning wages at the time of printing an email message which contains the electronic address to the new Agreement. The Departments shall provide new employees with the electronic address for the Agreement, and shall provide, where requested by an employee for reasons of accessibility, a printed copy of the current Agreement at the same time as the Offer of Appointment (as per 11.05 (b)) is sent to the employee.

   (c) Prior to printing of the new Agreement, the Parties shall meet to mutually determine the total number of copies required and the number of copies required by each Party. The
copies and one (1) electronic copy containing the text of the new Agreement shall be forwarded to the Union. Any employee may request a printed copy of the Collective Agreement and it shall be supplied within one (1) week of the request.

6.04 The University shall provide the Union with reasonable bulletin board space for official Union notices and a Central Login account on the University’s email system for the purpose of communicating information to the University or to Bargaining Unit members, or for receiving information from the University. The Union agrees to abide by the University’s policies with respect to acceptable use of computing resources.

6.05 The University will ensure that office space can be retained at the University’s main campus and will assist the Union in retaining office space at the University of Guelph-Humber campus, at standard cost, in order to facilitate the orderly administration of this Agreement. The Union is liable for all and any expenses with respect to office space, telephone and any other such services.

The Union acknowledges that it is not the University’s responsibility to make any agreements regarding the leases that the Union holds with its landlord and that the University is not obligated to interfere in the agreements between the Union and its landlord.

6.06 The University shall provide the Union with access, at standard cost, to its facilities and services. These services include, but are not limited to, mail services, meeting rooms, catering services, and audio-visual equipment.

6.07 The University shall provide the Union, once per academic year (September), the equivalent of the value of two and a half (2.5) Step 3 Sessional Lecturer wages (based on the Schedule A wage rate in effect at that time) to be distributed by the Union among Local Union officers. In a negotiations year, this amount will increase to the equivalent of three and a half (3.5) Step 3 Sessional Lecturer wages (based on the Schedule A wage rate in effect at that time) to be distributed by the Union among Local Union officers.

6.08 The University shall provide the Union with at least twenty (20) minutes to make an orientation presentation at any official Sessional Lecturer orientation sessions.

6.09 Once each semester the Union shall be provided with a list of all Colleges and Academic Departments including the names of Deans and Chairs/Directors.

7.01 The Union undertakes that there will be no strike as defined in the Ontario Labour Relations Act during the term of this Agreement nor will the Union or any of its members (during their scheduled hours of work) take part in sympathy strikes, work slowdowns, or any other such related action arising from the activities of other units, Locals, Unions, employee groups or persons.

7.02 The University undertakes that there shall be no lockout as defined in the Ontario Labour Relations Act during the term of this Agreement. In the event that any other certified Bargaining Unit of the University of Guelph is engaged in a lawful strike, employees covered by this Agreement shall not be required, nor asked, to perform work normally performed by those striking employees.

7.03 The University shall have the right to discipline, suspend or discharge any employee who participates in any improper strike, work slowdown, or work stoppage at the University, or interference with work of the University. No employee shall be disciplined, suspended or discharged for being unable to cross a picket line for safety reasons.
Article 8  Grievance Procedure

8.01  Preamble

(a) Nothing herein shall be deemed to preclude an employee from discussing problems, personal or employment related, with their supervisor, Chair/Director, or representative of FASR, provided no agreements are reached that are inconsistent with the provisions of this Agreement.

(b) Nothing herein shall be deemed to preclude a supervisor, Chair/Director, Dean or senior University Administrator from meeting with the Union, provided any resolution reached is not inconsistent with the provisions of this Agreement. Further, any resolution arising from such a meeting shall be considered as without precedent or prejudice without the written approval of the Union and the Assistant Vice-President (Faculty and Academic Staff Relations) or designate.

(c) Nothing herein shall be deemed to preclude employees from discussing problems, personal or employment related, with their Union Designate, or to demand that their Union Designate be present at any meeting held pursuant to this Article.

(d) A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Agreement.

(e) The University acknowledges that the Union has carriage of grievances; therefore, at any stage of the Grievance Procedure, the employee has the right to be represented by a Union Designate. Further, the Local Labour Relations Coordinator may attend any grievance meeting. The National Representative may attend the grievance meetings at the Formal Grievance Stage(s).

(f) In order to ensure that grievances of employees are remedied in a reasonable, just and equitable manner, the University and the Union mutually agree that the procedure for submitting and dealing with grievances, shall be as indicated in the remainder of Article 8.

(g) Through the Formal Grievance Stage(s), written communication shall be between the applicable Union and FASR representative. Written communication at the Informal Stage of the Grievance Procedure shall be between the employee(s) and the applicable FASR Designate and copied to the Union.

(h) The University and the Union agree that all settlements/remedies reached through the grievance stage(s) between the representatives of the Parties will be final and binding upon the Parties and the employees.

(i) The time limits in both the grievance stage(s) and arbitration stage may be extended only by mutual written consent of both Parties to this Agreement. Similarly, no step in the grievance procedure may be waived without mutual, written consent of both Parties to this Agreement.
(j) Where no answer is given within the time limit specified, the grieving Party shall be entitled to submit the grievance to the next stage of the Grievance Procedure. Should the grieving Party exceed the above time limits, the grievance shall be considered to have been withdrawn.

(k) Unless otherwise agreed to by the Parties, no grievance may be submitted to arbitration which has not been properly carried through all requisite stages of the Grievance Procedure.

(l) Withdrawal of a grievance, for any reason, shall be understood to be without prejudice.

(m) In the case of an employee who has been suspended or discharged, the employee has the right to submit a grievance in writing, signed by the employee and the Union, to the Assistant Vice-President, FASR (or designate), at the Formal Stage of the Grievance Process. A meeting will be held within five (5) days following the Union’s receipt of notice of the suspension or discharge.

(n) In the case where a former employee is disciplined for reasons directly related to their employment responsibilities following the completion of their most recent work assignment, the former employee has the right to submit a grievance in writing, signed by the former employee and the Union, to the Assistant Vice-President, FASR (or designate) at the Formal Grievance Stage. A meeting will be held within five (5) days following the employee’s disciplinary action, and/or the Union has been made officially aware of the disciplinary action taken, as per Article 8.

(o) In the interest of dealing as expeditiously as possible with a case of an employee who grieves on the basis of ‘unfair hiring,’ FASR may, upon request by the Union provide, in confidence, the Union with the documentation upon which the Department based its decision not to hire that particular employee. FASR will not unreasonably deny the Union’s request. This documentation shall include but will not be limited to application packages and hiring rubrics. If warranted, the grievance shall then proceed to the Formal Stage as per 8.03.

8.02 Informal Grievance Stage

(a) The University and the Union mutually agree that it is the desire of the Parties hereto that grievances of employees shall be adjudicated/dealt with as quickly as reasonably possible. If an employee has a grievance, they shall first discuss the matter, at a meeting arranged for this purpose, with their Chair/Director, with or without a Union Designate, within fifteen (15) days after the employee would reasonably be expected to have become aware of the circumstances giving rise to the grievance.

(b) The Chair/Director shall be allowed ten (10) days to seek information and advice and to communicate their decision, in writing, to the employee and copied to the Union. Failing
settlement, the employee has the right to file a written grievance in the following manner and sequence. The timeline for filing a formal grievance shall start the day the Union receives a copy of the informal written response from the supervisor.

(c) Failing settlement at the informal stage and within ten (10) days following receipt of notification of the decision, the employee has the right to present a written grievance to the Dean (or designate) of their College, or the Vice-Provost at the University of Guelph-Humber, and Assistant Vice-President, FASR (or designate), delivered to the Assistant Vice-President, FASR (or designate).

8.03 Formal Grievance Stage

(1) the date of presentation;

(2) the nature of the grievance and any supporting documentation which the grievor and/or Union believes is relevant in support of the grievance;

(3) where applicable the names of the grievor(s);

(4) the remedy sought;

(5) the Article, Section or Sections of this Agreement allegedly violated or the alleged occurrence said to have caused such grievance; and,

(6) the signature of the employee(s), where applicable, and the Union Designate(s).

(b) It is agreed that an individual and a group grievance will not both be filed in reference to the same alleged violation of this Agreement within the same Department. Further, it is agreed that a policy grievance shall not be initiated where a group of employees could initiate a group grievance. Additionally, it is agreed that a policy grievance shall not be initiated where an individual employee could initiate an individual grievance.

(c) The Dean (or designate) and Assistant Vice-President, FASR (or designate) shall convene a meeting within ten (10) days with the employee, and a Union Designate. With reasonable notice to the other Party prior to the meeting, either Party may have others attend who have information relevant to the specific grievance.

(d) The Assistant Vice-President, FASR (or designate) shall reply, in writing, within fifteen (15) days of that meeting.

(e) Failing settlement of the grievance, the Union, within fifteen (15) days of such decision, has the right to demand in writing that the matter be taken to arbitration in accordance with the procedure set out hereunder.
8.04 Group Grievance

(a) A group grievance is defined as an alleged violation of this Agreement concerning two (2) or more employees.

(b) Such group grievances shall be submitted in writing, signed by a Union Designate, and submitted to the Assistant Vice-President, FASR (or designate) within thirty (30) days after the occurrence of the matter that is the subject of the grievance.

(c) A meeting to resolve the grievance shall be held within ten (10) days after the receipt of the written grievance and the Assistant Vice-President, FASR (or designate) shall provide a written response within twenty (20) days after receipt of the grievance.

(d) If the group grievance is not resolved, the Union may notify the University, in writing, within twenty (20) days that it intends to proceed to arbitration pursuant to this Agreement.

8.05 Policy Grievance

(a) A policy grievance is distinguished from an individual employee’s grievance or group grievance and is defined as a difference arising between the University and the Union as to the interpretation, application or alleged violation of a specified provision or provisions of this Agreement.

(b) Such policy grievances shall be submitted in writing, signed by a Union Designate, or the Assistant Vice-President, FASR (or designate), as the case may be, and submitted to the Assistant Vice-President, FASR (or designate) or Union Designate, as the case may be, within thirty (30) days after the occurrence of the matter that is the subject of the grievance.

(c) A meeting to resolve the grievance shall be held within ten (10) days after the receipt of the written grievance and the responding Party shall provide a written response within twenty (20) days after receipt of the grievance.

(d) If the policy grievance is not resolved, the initiating Party may notify the other Party, in writing, within twenty (20) days that it intends to proceed to arbitration pursuant to this Agreement.

8.06 Arbitration

(a) If the University or the Union request that a matter be submitted to arbitration, it shall make such request in writing addressed to the other Party and at the same time state its nominee.

(b) Within ten (10) days thereafter, the other Party shall nominate a nominee, provided however, that if such Party fails to nominate a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon
application thereto by the Party invoking the arbitration procedure. The two (2) nominees so nominated shall attempt to select by agreement a Chair of the Board of Arbitration. If they are unable to agree upon such a Chair within a period of ten (10) days, either may then request the Minister of Labour for the Province of Ontario to appoint an impartial Chair.

(c) No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance. In the case of changes to the Labour Relations Act, the Parties agree to meet in order to discuss the effect of such changes on this Collective Agreement.

(d) Notwithstanding all of the provisions of Article 8, the Party submitting the matter to arbitration may propose the selection of one (1) person as an arbitrator to whom any such grievance may be submitted for arbitration and such person shall have the same powers and be subject to the same restrictions as a Board of Arbitration appointed under this Agreement. The responding Party shall within ten (10) days thereafter respond to such a proposal.

(e) The Board of Arbitration shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement. The jurisdiction of the Board of Arbitration shall be confined to the issue in dispute. The decision of the Board of Arbitration shall be final and binding upon the Parties. The decision shall be unanimous or one reached by a majority of the members of the Board, provided, however, that if there is no majority decision of the Board, then the decision of the Chair shall constitute the final binding decision of the Board.

(f) In the event that a Board of Arbitration deals with a matter relating to discharge, suspension or disciplinary action, then the Board has the authority to reinstate an employee with or without compensation for wages and any other benefits lost, or to make any other award it may deem just and reasonable which would be consistent with the terms of this Agreement.

(g) Each of the Parties hereto will bear the expense of their nominee appointed by it and the Parties will jointly bear the expense, if any, of the Chair of the Board of Arbitration.

(h) The Party demanding arbitration shall be responsible for informing any third Party likely to be adversely affected:

(1) of the time and place of the sitting of the Board of Arbitration;

(2) of the matter to be placed before the Board; and

(3) of the right of that third Party to be present and represented.
Article 9  Discipline, Suspension and Discharge

9.01  
(a) The University shall not discipline, suspend or discharge an employee without just cause.

(b) It is acknowledged that if a disciplinary action is challenged through the grievance procedure, the onus rests with the University to demonstrate just cause.

(c) In the event that allegations which have initiated disciplinary proceedings against an employee are subsequently shown to be false or unsubstantiated, all written documentation related to such allegations shall be destroyed and such false or unsubstantiated allegations shall not be relied upon in any future action.

(d) The timelines indicated in this Article may be extended by mutual agreement of the University and the Union.

(e) Sessional Lecturers covered by the terms of the Unit 2 Agreement shall not be required to exercise the management functions of discharging, reprimanding, suspending or otherwise disciplining Teaching Assistants assigned to them. The Sessional Lecturer shall be accountable for reporting concerns that may lead to such actions to their supervisor.

9.02 The University recognizes the principle of progressive discipline and shall utilize such an approach when addressing issues requiring a disciplinary response. It is acknowledged that disciplinary action with respect to employment matters may be subject to challenge through the grievance procedure.

9.03 The University shall, in the process of progressive discipline, use verbal then, if warranted, written warnings. In such cases (pursuant to 9.06), the employee shall be clearly informed that it is a verbal or written warning. The investigation of circumstances leading to a decision to take disciplinary action and the communication of such disciplinary action shall be conducted in accordance with 9.06.

9.04 A written disciplinary warning shall precede more serious disciplinary action (i.e. suspension or discharge), except in the case of gross misconduct. The written disciplinary warning shall include a description of the improvement required and identify a reasonable time period in which to demonstrate the required sustained improvement in the area of concern.

9.05  
(a) It is understood that no disciplinary action will be taken prior to the University investigating the circumstances leading to the decision to take such disciplinary action.

(b) The investigation, in and of itself, is not considered to constitute discipline.

(c) All investigations will be conducted as expeditiously as possible.
(d) The University may withhold information from an employee, decide not to notify the employee or delay notifying the employee if there are grounds to believe there is a risk of significant harm to another person or to University property or that the investigation may otherwise be jeopardized. In these situations, the Union will be notified in confidence of the circumstances and substance of the allegations.

(e) As soon as is practicable after an allegation has been made, the University shall inform the employee of the nature of the allegation that has been made and their right to seek assistance from the Union at all meetings involved in the investigation and disciplinary process.

(f) Within 10 days of informing the employee of the allegation, the University will initiate an investigation. When such investigation requires meeting with the employee, the employee shall be entitled to be represented at such meeting by a Union Designate. The employee shall be reminded, with reasonable notice, by the University of this entitlement prior to the meeting.

(g) The University shall notify the employee of the tentative results of the investigation within ten (10) days of the results being known. Such notification shall inform the employee that discipline will not be imposed and that the investigation is closed or that the University believes discipline is warranted.

1. The University may invite the employee to attend a meeting before the investigation is closed, and before any discipline is imposed, to allow the employee to respond and will be reminded of their right to be represented by a Union Designate representative.

2. The employee may respond in person or through a Union representative. Should the employee fail to respond to the invitation within five (5) days or fail to attend a meeting on the matter, without reasonable excuse, the University may proceed with discipline.

(h) The University, the Union, and Members shall maintain the confidentiality of the fact and substance of procedures under this Article including the investigative process, its findings, and its outcome. Information will only be disclosed to those with a demonstrable need to know. Those in receipt of information pertaining to the procedures under this Article are bound to hold such information in confidence. The University may disclose information where it has grounds to believe that confidentiality may put a person at risk of significant harm or if the University is legally required to disclose.

(i) In a case of alleged harassment or human rights violations, the process can be interrupted if the complainant and the respondent agree to mediation. The process will continue if mediation fails.

9.06 When an employee is to be disciplined (i.e. verbal warning, written warning, suspension or discharge), such discipline shall be imposed at a meeting specifically convened for this purpose. The employee shall be entitled to be represented at such meeting by a Union Designate. The
employee shall be reminded, with reasonable notice, by the University, of this entitlement prior to the meeting. The Union’s copy of any written disciplinary action shall be provided to the Union at the meeting. If, after proper notification, the employee refuses, in writing, the right to Union representation (and the Union is therefore not present at the meeting), a copy of both the letter and the written refusal shall be provided to the Union prior to such meeting (where possible based on the timing of notification by the employee).

9.07 It is agreed that disciplinary/warning letters within an employee’s Human Resources File shall be removed after an eight (8) month period from date of issue, provided that no further discipline has been recorded within that eight (8) month period.

9.08 Employees have the right to review their full and complete Human Resources File no more than once (1) per semester and additionally once during a grievance process. The Union, with the employee’s written consent, also has the right to review the employee’s Human Resources File. In order to do so, employees and/or the Union shall submit their request in writing to FASR. An appointment for this review shall take place within three (3) days of receipt of the request.

9.09 With respect to consideration of information for decision making, hiring decisions are made in accordance with 11.04 and disciplinary decisions are made in accordance with 9.01.

9.10 Disciplinary records shall be retained in confidence in a sealed envelope in the Human Resources File and may only be considered when relevant to an employment-related decision.
**Article 10 Assignment of Work**

10.01 An employee is expected to carry out the assigned duties/requirements to effectively teach, as determined by the Chair/Director (or designate) of their Department and subject to the provisions of Article 21, a University degree credit course(s). Such assigned duties/requirements shall include, but not be limited to, teaching, contact hours, preparation, demonstrating, supervision of field trips, grading and marking, student office visiting hours, Departmental activities and any other such duties as assigned.

10.02

(a) The University agrees that the Chair/Director (or designate) of the employee’s Department or Program shall meet with the employee to discuss the assigned requirements, normally at least fifteen (15) days prior to the commencement of their semester in which the course is to be taught. The Chair/Director (or designate) shall inform the employee, in advance of the meeting, of their right to be accompanied by a representative of the Union if they wish.

(b) At this meeting the employee and the Chair/Director (or designate) will discuss all relevant aspects of duties associated with the work assignment, including but not limited to the following: teaching assistant work assignment assistance; TA coordination/direction; contact hours; anticipated number of students; course content and material; library resources; course content previously taught; anticipated examinations and/or assignments; office hours; Departmental resources; and commitments to the Department and Departmental commitments to the employee (e.g., work components assigned per 10.01 and grading strategies).

(c) Where an employee, subsequent to the above initial meeting, has reason to believe that they have been given unreasonable expectations, the employee may request a meeting with their Chair/Director (or designate) to resolve the problem. Additional meetings between the employee and their Chair/Director (or designate) may be required.

10.03 The University agrees that the assignment of work shall be consistent with the provisions of this Agreement.

10.04 Employees will be required to use their University of Guelph or University of Guelph-Humber email address in the carrying out of their responsibilities assigned as part of a work assignment. Employees may be required to provide students with their University of Guelph or University of Guelph-Humber email address and/or University provided office/Department phone number (if applicable). Employees will not be required to provide personal email address(es) or personal phone number(s) to students in the carrying out of their responsibilities assigned as part of a work assignment.
Article 11  Postings and Appointments

11.01 Posting Procedure

(4) the type of work assignment (i.e., Sessional Lecturer) and level of appointment (i.e., 1.0 or, in exceptional circumstances, prorated);

(7) the start and termination dates for the work assignment(s);

(8) anticipated duties and responsibilities for the work assignment(s), including, as applicable: Orientation/Training; Office Hours; Preparation; Student Consultation; Lecturing; Email Correspondence/Monitoring; Conducting Labs/Seminars; TA Coordination Meetings; Invigilating Exams; Supervising Field Trips; Grading; and Other Duties as specified;

(16) the current University of Guelph’s employment equity statement, which may be amended from time to time through discussion with stakeholder groups through the Employment Equity Committee; and,

(17) a statement that recognizes terms and conditions of the work assignment are covered by the Collective Agreement between the University and CUPE Local 3913, Unit 2.

(c) Where a course has both In-Class and DE sections, the DE section(s) shall be posted separate from the In-Class section(s). In situations where the University anticipates that the work assignment may be available for two (2) or three (3) semesters (as per 11.02 (d)), the posting shall clearly indicate this possibility. The decision to appoint an employee for more than one (1) semester at a time shall be at the sole discretion of the University.

(d) Work assignments shall be posted by the Department electronically on the job posting website for TAs, GSA-1s and Sessional Lecturers, within the time frames provided for in this Article. At the time of posting the Union shall receive electronic notification.

(e) The University shall respond to inquiries from the Union with regard to posting criteria as specified in (a), (b) and (c). The Union shall notify FASR in writing of postings which in the Union’s view do not comply with the requirements of (a), (b) and (c). The University shall consult with the appropriate Union Designate(s) within two (2) days of receipt of such notice, and where the Parties agree the posting did not meet the posting criteria as specified in (a), (b) and (c), FASR will provide, within ten (10) days, a written response to the Union outlining any remedial actions taken.

(f) Upon request by the Union, the University shall expedite the processing of any grievances respecting postings, or appointments made under 11.02 (b) and (c) in accordance with Article 8 (with a Formal Stage Grievance meeting set up within five (5) days of receipt of the grievance).

11.02

(a) All assignments of work, excepting circumstances arising as per 11.02 (b) and (c), shall be posted by the Department electronically (in accordance with the provisions of 11.01), as they arise and for a minimum of fifteen (15) calendar days or until five (5) days prior to the commencement of the work assignment.

(b) The University shall not be required to post a work assignment under the following circumstances:

(1) when an employee withdraws from a work assignment;
(2) if an unanticipated work assignment occurs;

(3) when a work assignment becomes available after the first day of classes as a result of illness or resignation;

(4) when a work assignment is offered to an employee who then declines to accept it;

(5) subject to Appendix F, when a work assignment is offered to a University of Guelph PhD student as part of their program requirements.

(c) Where circumstances apply (as per 11.02(b), the University shall offer the work assignment to employee applicants with active applications as per the regular assignment procedure. In instances where there are no applicants, no suitable applicants, or when time and/or operational needs require that the regular assignment procedure be suspended, the University will first access any applications which are currently on file in the Department. If there are no suitable applicants or applicants available from amongst the applications currently on file, the University may then assign the work to a person deemed suitable. The University shall inform the Union, in writing, within ten (10) days following such assignments.

(d) Where a Department has reason to believe that a single course shall be available for posting over a period of two (2) or three (3) consecutive semesters, the Department may post the available work over the applicable period as a single work assignment.

11.03 Applicant Profile and Online Application Process

(a) All applicants for work assignments, except those employees with Right of First Refusal per Appendix F, must apply via the online application process, providing an updated application and Curriculum Vitae to each of the Departments in which they seek employment.

(b) In order to facilitate a consistent application process, the online application system provides applicants with an opportunity to complete both a general profile and a specific application for each work assignment to which the applicant applies, including the following information:

(1) name and address;

(2) contact information, including home phone and email;

(3) the applicant’s total number of seniority points;

(4) prior relevant experience and qualifications;

(5) other experience or qualifications; and
(6) an attached résumé.

(c) Online applications shall contain the employment equity statement.

(d) A saved application will be sent to the relevant Department and a confirmation email will be sent to the applicant’s email address. Applicants who do not receive the confirmation email must contact the Department immediately.

(e) An applicant’s submission of an application certifies that the information it contains is accurate for the purposes of allowing the University to assess suitability for employment. An applicant’s submission of an application also signifies agreement that the University may use the information submitted for the sole purpose of assessing suitability for employment (including by contacting any references identified).

(f) Online applications shall also contain a statement that these work assignments are unionized with CUPE Local 3913 and their terms and conditions of work are covered by the Collective Agreement between the University and CUPE Local 3913.

(g) It is the responsibility of the candidate to demonstrate evidence of qualifications at the time of application.

11.04 Selection Process

(a) The University will ensure a process consistent with the provisions of the Collective Agreement, for the selection of candidates for available work assignments. A copy of the written process will be provided to the Union.

(b) In all cases of work assignment competition, the University shall only include qualifications (academic and professional), teaching competence, capability, skill and ability, and prior relevant experience. In cases where applicants are demonstrably equal in the opinion of the University the senior applicant shall be awarded the work assignment.

(c) A Selection Committee must be established for all work assignment competitions. The Selection Committee, when established, must be composed of, at minimum, three people with knowledge, experience, and expertise, of which at least one shall be a designated group member (i.e., member of an equity-seeking group, which may include women, racialized people, members of the lesbian, gay, bisexual, transgender, or queer communities, aboriginal people, or persons with disabilities). The Chair of the Selection Committee must ensure that all members of the Committee have attended an orientation session with DHR at least once during each three-year cycle. The Committee must establish a rubric for evaluating applicants’ qualifications in advance of reviewing applications.

(d) Following completion of the hiring process, the Department shall make available electronically in the Department a summary of all semester work assignments indicating
the course and employee(s) assigned to the course. The summary will be posted no later than immediately following the second pay period of the semester.

11.05 Offers of Work Assignment

(a) The successful candidate will be provided, via email, with notification of the offer of the work assignment. This email notification will provide the successful candidate with a reasonable time frame (which must be at least three (3) days) within which to accept the offer. Except in extenuating circumstances, failure to accept the offer within the specified time frame will be deemed as a refusal of the work assignment.

(b) In order to provide consistency, where applicable, all Offers of a Work Assignment shall include the following:

1. a statement that indicates that this work assignment is covered by an Agreement between the University of Guelph and CUPE Local 3913. The text of the current Collective Agreement is available on the Union’s website (cupe3913.on.ca) and the University’s website (uoguelph.ca/sessional_ta);

2. department/school;

3. date of the offer;

4. name of employee, address, phone;

5. type of appointment;

6. the level of appointment (i.e., 1.0/full; Other/Pro-Rated);

7. additional details with respect to the work assignment;

8. course information, as applicable;

9. supervisor;

10. lecture days and times (as applicable);

11. start and end dates;

12. wages;

13. the response to the Offer of Appointment must be made online, a copy of which will be made available to the employee;
(14) an opportunity for the employee to request a printed copy of the Collective Agreement; and,

(15) a statement that indicates that subject to 14.11(a), there shall be no extra payment for hours worked on weekends. The Chair/Director (or designate) of your Department shall arrange to discuss with you the employee the requirements of this work assignment prior to commencement of the semester. The employee may be required to complete, as part of the orientation process, online courses related to Health and Safety and Accessibility.

11.06

(a) The University agrees that no work or function performed by members of the Bargaining Unit shall be contracted out when doing so shall result in a Bargaining Unit member not being rehired. It is understood that such work or function (having been performed by the affected member(s) of the Bargaining Unit), when done by Faculty, Staff, Contract Faculty, or persons recognized in Article 2.01 (a) through (i) inclusive shall not be considered to be “contracting out”.

(b) In the event that the University proposes to contract out work that is or has been performed by members of the Bargaining Unit; the University shall inform the Union of its intent and allow the Union an opportunity to make a presentation on the proposal.

11.07 The University shall, once each semester, report to the Union the number of courses being taught by regular faculty on overload and retired faculty. The report shall include the number of courses being taught by each category of employee on a Departmental basis.
Article 12 Course Cancellation

12.01 The University agrees that once an offer of employment has been issued, there shall be no layoff or reduction in normal earnings for any member of the Bargaining Unit, except by reason of course cancellation due to unreasonably low enrolment.

12.02 Where an employee suffers a reduction in normal earnings due to course cancellation as a result of unreasonably low enrollment in a course, a cancellation stipend of $600 shall be paid if the cancellation occurs prior to the start date of employment. Should the cancellation occur after the start date of employment but prior to the end of the second full week of classes for that particular work assignment, the employee shall be paid one-third (1/3) of the established full pay for the whole assignment. Should the cancellation occur after the end of the second full week of classes for that particular work assignment, the employee shall receive the established full pay for the whole assignment.
Article 13  Performance Evaluations

13.01

(a) The performance evaluation of any employee shall be conducted in accordance with established University policy and treated as confidential information between the employee and the University unless the employee chooses to share it with the Union. The results of such an evaluation shall not be used for the purpose of denying continuation in the academic program in which they are currently registered. Employees shall be provided with a copy of the evaluation within ten (10) days of such evaluation. The performance evaluation shall not be included in the employee’s academic file.

(b) An employee’s work performance shall not be applied in any form against their academic pursuits at the University except with the written request of that employee. If an employee is also a student at the University their academic record shall not impact their employment in the Bargaining Unit unless required as part of the University’s hiring criteria.

(c) Chairs/Directors shall ensure that, at least once a semester, they engage employees in constructive, on-going dialogue about aspects of the employee’s performance. Such informal and ongoing dialogue shall not form part of the information provided to the Performance Evaluation Committee for performance evaluation purposes. Self-evaluation, if used, shall only form part of the formal process if it is done in writing and the employee agrees to have it included.

13.02 Performance evaluations of employees shall be conducted by the Performance Evaluation Committee. Such committee shall consist of the Chair/Director and at least two (2) Faculty members. At the University of Guelph-Humber, such committee shall consist of the Program Head and at least two other members who may be Faculty or Sessional Lecturer(s).

(a) The primary purpose of evaluations is intended to be constructive and developmental in nature.

(b) Evaluations will provide the employee with an overall rating of either “Satisfactory”, “Improvement Required” or “Unsatisfactory”.

(c) All performance evaluations shall be in writing and based solely on the duties associated with an employee’s work assignment. Evaluations will state whether the employee has performed satisfactorily in the duties associated with their work assignment. Where an employee is given an overall rating of “Improvement Required” or “Unsatisfactory”, constructive feedback will be provided for correcting the concerns. A timeline for correcting the concerns will also be provided. Should the employee fail to improve their performance within the timeline provided to the employee, the University may choose to initiate constructive actions and/or a disciplinary process.

(d) If an employee receives a rating of “Unsatisfactory”, a rationale will be provided.
(e) No disciplinary actions may be imposed as part of the performance evaluation process.

(f) Student evaluations will not be the sole consideration for issuing an overall rating of “Improvement Required” or “Unsatisfactory”.

13.03 Employees shall be informed of the Performance Evaluation Committee’s guidelines, prior to being evaluated. Evaluations are intended to be constructive and developmental in nature.

13.04 There shall be no electronic monitoring of employees by any member of the University, for any purpose without the written consent of the employee. Such consent may be withdrawn at any time, in writing.

13.05 Employees shall be given at least five (5) days’ notice that a performance evaluation is to be conducted. Such evaluation shall take place at a mutually agreeable time.

13.06 All performance evaluations shall be in writing and based solely on the duties associated with an employee’s work assignment. Employees will be entitled upon request to the Chair/Director, to review their file prior to it going before the Department Tenure and Promotion Committee. The employee shall be provided the opportunity to append any information to the file which the employee feels is relevant to the evaluation process.

13.07

(a) Student evaluations of Sessional Lecturers may form only one part of the information considered in the evaluation of employee performance.

(b) In the event that student evaluations do form part of an employee evaluation, those student evaluations will not be the sole purpose for denying a work assignment to an employee.

(c) Unsigned comments from student evaluations will not be used unless agreed to by the employee.

(d) Student response rate will be an important consideration in the employee evaluation process.

13.08 Where an employee challenges their performance evaluation through the Grievance Procedure, the employee and/or Union, prior to the first meeting as specified in the Grievance Procedure, may request in writing (and shall receive within five (5) days of such request), any records and/or documentation that were used as a basis for the evaluation.

14.02 Wages are paid bi-weekly on Thursdays and are inclusive of vacation pay.

14.03 Wage schedules, as agreed to in this Collective Agreement, do not prevent the University from paying above the Schedule A or Schedule B maximum. In such circumstances, the University will
advise the Union that it is paying a Sessional Lecturer above the Schedule maximum.

14.04

(a) New employees (non-seniority employees) may be placed on a grid step at the discretion of the University.

(b) Five (5) seniority points are required for movement from one (1) grid step to the next, with the exception of moving from Step 6, which requires ten (10) seniority points and an overall total of 35 seniority points.

(c) Upon ratification of the 2016 Collective Agreement, Members will be assigned to the step equivalent to the step they held prior to ratification as follows:

Members will then continue to move through the steps as determined by 14.04 (b).

14.05 Music Instructors will be paid in accordance with Schedule C.

14.06 A Sessional Lecturer hired to teach a DE course shall be paid per the effective Schedule A wages for the equivalent of a full-semester work assignment. They shall receive an additional $75 for each additional five (5) students per work assignment, over the forty-five (45) student minimum rate, to a maximum of an additional $375.00 per work assignment. A cap on the amount of remuneration they receive does not imply a maximum number of students per class.

14.07 It is agreed that management may pro-rate work assignments based on either percentage of workload (based on a full semester work assignment) or the percentage of time (based on a full semester). Such prorating may recognize a work assignment in which a Sessional Lecturer is employed to complete less than the equivalent of a full semester work assignment, or may recognize a work assignment in which a Sessional Lecturer is employed to complete more than the equivalent of a full semester work assignment. In such atypical situations, the Union shall be advised in writing of the pro-rating. As required, a meeting will be called to discuss the specific work assignment and the implementation arrangements. The meeting will be held no less than fifteen (15) days prior to the work assignment being posted, except in circumstances in which the work assignment was not anticipated. In such circumstances, the Union will be advised as soon as possible following the University having become aware of the need for the unanticipated work assignment, and, as required, a meeting will be called within five (5) days.
14.08 No employee shall move down the grid so long as they maintain their seniority.

14.09 It is understood that the wages specified in Schedule A are inclusive of 4% vacation pay.

14.10

(a) In the event that the University requests the Sessional Lecturer to: reread papers or exams, attend appeals, participate in cases of academic dishonesty, grade or re-grade late papers or exams, following the completion of the Sessional Lecturer’s work assignment, and the Sessional Lecturer agrees to perform such work, reimbursement will be in accordance with Schedule B. Before such post work-assignment responsibilities are performed, both the employee and their supervisor must agree in writing to the terms and hours for completion of the work.

(b) In addition to the wages outlined in Schedule A, upon completion of a work assignment, a Sessional Lecturer shall be eligible to receive a supplemental payment based on the number of registered students in their class after the fortieth day of classes (excluding students who are auditing the course), and providing the Sessional Lecturer has not been provided with a TA. However, it is agreed that class size compensation is provided in acknowledgement of the increased workload inherent in larger classes, and is not intended to eliminate traditional hiring of GTAs or UTAs. Supplemental payment is as follows:

1. 60 or fewer students - no additional compensation;
2. 61-110 students - $150.00;
3. Every fifty (50) students thereafter - $150.00 with no provision for pro-rating, to a maximum of $600.00 (e.g. In order to receive an additional $150.00, 111 or more students must be in the class; to receive $300.00, 161 or more students must be in the class; $450.00, 211 or more students must be in the class; $600.00, 261 or more students must be in the class).

(c) It is understood that the above amounts are not cumulative.

(d) Each Academic Unit shall have a promulgated process for assigning teaching assistants that is fair, equitable and transparent.

14.11 Supplemental Payment for Preparatory Work for Sessional Lecturers

Sessional Lecturers who are teaching a course, as part of a work assignment, for the first time, will be provided with a supplemental payment of thirty (30) hours of work at the Schedule B rate for a full (1.0) course. Such payment is in full consideration of all preparatory work associated with the commencement of the work assignment and will be added to the Sessional Lecturer’s wages and paid out as a lump sum payment within the first two pay periods of the
semester. Preparatory pay will be prorated in direct proportion to the percentage work assignment (e.g., a 0.75 work assignment will be eligible to receive 22.5 hours (i.e., 75% of 30 hours) of supplemental payment for preparatory work).
Article 15  Office Space and Facilities

15.01  The University agrees to provide employees with adequate space, access to private meeting space, and the use of other facilities, services and equipment as required for the performance of their duties and responsibilities.

15.02  The University agrees to provide all employees with adequate access to, and use of, libraries, laboratories, course materials, duplicating services, office supplies, computing facilities, software, audio visual equipment, and any other University facilities required in the performance of, and preparation for, their contractual responsibilities at no cost to the employee, subject to the prior written approval of the employee’s supervisor. Such approval shall not be unreasonably withheld. No employees shall be disciplined for being unable to fulfill their duties due to lack of access to a University computer.

15.03  The University agrees to provide employees with adequate and secure space, at no cost to the employee, for the storage of materials related to the academic enterprise, which the University has deemed to be confidential and/or sensitive in nature.
Article 16  Health and Safety

16.01 The University and the Union acknowledge that the University and its employees have duties and responsibilities with regard to health and safety in accordance with the provisions of the Provincial Health & Safety legislation. Should current legislation be amended, it is agreed that the Parties shall meet to discuss such changes and the impact upon the work of the employees.

(a) The University shall make all necessary and advisable provisions (per the Central Joint Health & Safety Committee) for the occupational health and safety of employees.

(b) The University shall provide training in the use of special equipment whenever it is required that the employee use such equipment as part of their work assignment. The time spent for training shall be included as part of the work assignment.

(c) The University shall provide (at no cost to the employee) and employees shall wear, appropriate protective clothing, and/or other devices (e.g. emergency phone), which the University deems necessary to protect employees from workplace injury or hazard.

(d) The University and the Union agree to participate in Local Joint Health & Safety Committees. All time spent at a Local Joint Health & Safety Committee’s official meetings by an employee as a representative of the Union, shall be considered paid time and counted as either part of their semester hours of work or shall be paid at the appropriate wage rate, whichever is applicable as soon as possible following their confirmed attendance at the meeting.

(e) Further, all time spent at the Central Joint Health & Safety Committee’s official meetings by an employee as a representative of the Union, shall be considered paid time and counted as either part of their semester hours of work or they shall be paid at the appropriate wage rate, whichever is applicable. It is understood that only one (1) employee in the Bargaining Unit may make this claim per semester and that the maximum number of hours that an employee may claim will be in accordance with the provisions of the Occupational Health and Safety Act.

16.03

(a) In accordance with the applicable provisions of the Ontario Health & Safety Act, the University acknowledges the employee’s right to refuse or stop working where the employee believes that their health and/or safety is in danger.

(b) It is understood that no employee shall be disciplined in any way for having exercised their right to refuse work where the employee believes that their health and/or safety is in danger.
16.04 Normally, hazards in the workplace are reported to the employee’s immediate supervisor. An employee working outside of normal business hours, who identifies a workplace hazard, shall report the hazard to the University’s Campus Police when the employee’s immediate supervisor or Chair/Director cannot be reached. Campus Police will provide a report to the employee’s Chair/Director and to Environmental Health & Safety as soon as possible for investigation.

16.05 The University has a zero-tolerance policy towards violent behaviour in the workplace. Workplace violence is defined as any incident in which an employee is threatened, coerced, abused or sustains physical, emotional, or psychological harm or injury in, at, or related to the workplace. It includes:

(a) The exercise of physical force by a person against a worker, in a workplace, that causes or could cause physical injury to the worker;

(b) Any attempt to exercise physical force against a worker, in a workplace, that could cause physical injury to the worker; or,

(c) A statement or behaviour that is reasonable for a worker to interpret as a threat to exercise physical force against the worker, in a workplace, that could cause physical injury to a worker in a workplace. Any reports of harassment, abuse or violence against or by an employee shall be investigated by the University and reported to the Union, along with the University’s response to same.

(1) It is expected that employees will report incidents of workplace violence to their immediate supervisor (and/or Campus Police as specific circumstance dictates) and, as necessary, file an incident report detailing the incident including any directly related damage to property. Such incidents reported to supervision will be investigated, and, as appropriate, a summary report of such investigation will be provided to the co-chairs of the Central Joint Health & Safety Committee.

(2) The Parties agree that information and training with respect to workplace violence is essential in promoting a safe and security conscious work environment and will work jointly to continue to enhance efforts in this regard.

(3) In the event that an employee is unable to work scheduled hours as a result of an incident as defined in this clause, the employee will not lose any compensation for those scheduled hours.

16.06 International Day of Mourning

Further to the Collective Agreement between the Canadian Union of Public Employees, Local 3913, Units 1 and 2 and the University of Guelph, it is agreed that the University and the Union shall recognize the International Day of Mourning, for workers killed or injured on the job on such date (April 28) officially established each year, and in recognition, develop and publish a

In prescribing such objectives, content and delivery, the University shall also provide the training, work place facilities and support services that, after consultation with the employee, it deems both essential and necessary.

21.04 When work assignments permit employees to have a wider degree of latitude than is possible in assignments included in 21.03, employees may develop and deliver said assignments once the course content and structure have been approved by the Chair(s)/Director(s) of the unit(s) concerned. Such approval shall not be unreasonably denied.

In such cases, the Union and employees shall be provided at least thirty (30) days notice of such change. This will be facilitated through the Labour/Management Committee. Appendix D  Sessional Lecturer Study/Development Fellowships

Established by the Provost, in consultation with CUPE Local 3913, the Study/Development Fellowships will enable long-serving Sessional Lecturers (who hold Right of First Refusal) to maintain and enhance their quality as scholars. The awarding of the Fellowship enables the University to maintain and enhance excellence through the Sessional Lecturer’s subsequent contributions to its teaching programs.

A Sessional Lecturer approved for the Study/Development Fellowship will receive the equivalent of the wage rate for their most recent work assignment. To satisfy the purpose of this Fellowship, it is necessary that scholarly objectives are being sought and that study/development activities are consistent with these objectives.

Number of Fellowships and Eligibility for Application:

(a) A maximum of seven (7) such Fellowships per academic year shall be made available through application by Sessional Lecturers with either a minimum of fourteen (14) seniority points accumulated over a minimum seven (7) year period; or a minimum of twenty-one (21) seniority points.

(b) No more than one (1) approved leave will be granted to an individual Sessional Lecturer in any seven (7) year period.

(a) A joint (i.e. University and CUPE Local 3913) call for applications from all Sessional Lecturers who meet the eligibility criteria shall be posted on the Provost’s website, and the CUPE Local 3913 website and circulated to all Academic Units at the beginning of May each year.

(b) An eligible Sessional Lecturer shall be able to make application to their Dean or Vice-Provost by June 1 of each year for Fellowships to be taken in the subsequent Fall, Winter, or Spring semester. By July 1, the Dean shall make their recommendation to the Associate Vice-President (Academic).

(c) The written application for the Fellowship will include:

   (1) a statement of goals;

   (2) a plan of scholarly activity;

   (3) an up-to-date Curriculum Vitae.
(d) The Associate Vice-President (Academic) shall inform all applicants, in writing, of the results of their decision by August 1 each year.

(e) Appeals of the decision of the Associate Vice-President (Academic) may be made in writing within ten (10) days of receipt of the decision to the Provost and Vice-President (Academic). The decision of the Provost shall be final and not subject to grievance or further avenue of appeal.

Reporting:

(a) Fellowship awardees shall be listed on the FASR website.

(b) Within thirty (30) days of completion of the Fellowship, the Sessional Lecturer will provide to the Associate Vice-President (Academic) a summary report of the activities undertaken and achievements during the Fellowship semester.

This Appendix pertains solely to employees who were hired before September 1, 2007.

(a) Benefits Eligibility Requirements

Participation in group benefits is optional but members must enroll within 30 days of meeting the eligibility criteria. Late enrolments are subject to approval of medical evidence to Sun Life and, for dental insurance, a limitation on coverage during the first year. For eligibility:

(1) At the time of enrolment the employee’s appointment must be greater than six (6) months in duration or the sum of the current and established consecutive appointment must be greater than six (6) months in duration. For the purpose of initial eligibility consecutive appointments cannot be separated by more than 3 weeks.

(2) Once enrolled, to maintain participation, the member must be in an appointment that is a minimum of four (4) months in duration and is not separated from the previous appointment by more than eight (8) months. Unpaid periods without an appointment are not eligible unless they qualify under (4).

(3) The employee must be employed for the minimum workload required as described below.

For benefit eligibility purposes, the workload percentage for Sessional Lecturers is determined as follows: number of courses assigned per year divided by 5.5.

(4) Members who are hired after March 23, 2011 are eligible for post-retirement benefits if, at the time of retirement, they have at least ten (10) years of pension credited service with the University, are enrolled in the Health and Dental group benefits prior to retirement and commence receiving the University pension immediately upon termination/retirement.

(b) Benefits Available

(1) Life Insurance

(2) Long Term Disability (LTD)
(3) Extended Health Care (EHC)

(4) Dental

(c) Benefit Cost Sharing While in Paid Status

Cost sharing between the University and the Sessional Lecturer varies depending on the Sessional Lecturer's percentage of normal workload. The greater the percentage of normal workload, the greater the University's share of the benefit premium.

(d) Benefits & Cost Sharing When in an Unpaid Status

Subject to (a), Employee Life Insurance, Long Term Disability, Extended Health Care, and Dental benefits can continue during periods of unpaid status when the plan member’s has an appointment in place for a work assignment with a start date within eight (8) months, the employee paying the full cost of the benefit premiums. In the case of a Long Term Disability claim, the ninety (90) day elimination period will commence upon the scheduled return to work. The premiums must be paid for by the employee in one (1) lump sum in advance or by monthly postdated cheques payable on the first of each month during the unpaid status.

(e) Employees may opt-out of Extended Health Care and Life Insurance and/or Dental and Long Term Disability, by completing the appropriate ‘opt-out’ form. Employees may only be considered to have ‘opted out’ when they actually sign an ‘opt-out’ form.
Appendix F  Right of First Refusal

Notwithstanding the provisions of 11.02 (d), the following will apply with respect to application of the Right of First Refusal (RoFR) to an available Sessional Lecturer work assignment. A Sessional Lecturer who has successfully completed a work assignment (i.e. for a particular course) shall be eligible to exercise a RoFR to a work assignment, for that same course, should a Sessional Lecturer work assignment be made in one (1) of the immediately following four (4) semesters.

The following criteria will be applicable in determining a Sessional Lecturer’s eligibility for exercising a RoFR to an available work assignment:

(a)  Eligibility

(1)  Subject to Article 13, the Sessional Lecturer must have demonstrated satisfactory performance in completing the work assignment; and

(2)  Each RoFR that is earned can be exercised for only one section of a course. (For example, teaching one section of a course in one semester results in RoFR to at most one section in a future semester, and for example, teaching two sections of a course in one semester results in RoFR to at most two sections in a future semester).

(3)  The period of eligibility (i.e., four (4) semesters immediately following) may be extended by approval of the University for a maximum of two (2) semesters where there are bona fide medical issues, documented by a recognized licensed medical practitioner, that prevented the Sessional Lecturer from being able to accept a work assignment in one of the four semesters of eligibility.

(b)  Competing Rights of First Refusal

(1)  Where a Course has had more than one section, and where the different sections had been taught by different Sessional Lecturers, and where that Course now has less sections, and therefore there are ‘competing’ Rights of First Refusal on the remaining section/s, the following rules shall apply:

(2)  The Sessional Lecturer with the RoFR on that Course and the most seniority in that Course shall be offered the Course/Section(s) first. If the Sessional Lecturer refuses to exercise their RoFR, then:

(3)  The next person with the RoFR on that Course and next most seniority in that Course shall be offered the Course/Section(s), and so forth. If the Sessional Lecturers’ seniority in the Course is equal, then:

(4)  The Sessional Lecturer with RoFR in the Course and the most seniority in the Bargaining Unit shall be offered the Course/Section(s) next.
(c) Scope

(1) A RoFR that is earned to a course can be exercised to any section of the course (DE and
In-Class) where the curriculum and learning outcomes of have not demonstrably
changed and the Sessional Lecturer can demonstrate to the University’s satisfaction that
they have the technical, technological and/or other capabilities to meet the
requirements as posted. The RoFR is not transferrable between course sections:

(2) where the location of the course is on a different campus, or at Guelph-Humber; or

(3) where the University can demonstrate different curriculum or learning outcomes for
different sections of a course.

(d) A Sessional Lecturer who has successfully completed a work assignment to design a degree
credit course (i.e. for a particular course) shall be eligible to exercise a RoFR to a work
assignment for that same course should a Sessional Lecturer work assignment be made in
one of the immediately following two (2) semesters.

(e) Where refusal of a RoFR by the Sessional Lecturer is based solely on an internal course
scheduling conflict with another work assignment for which the Sessional Lecturer has
secured or has RoFR to, the unexercised RoFR (however many there should be) will be
retained by that Sessional Lecturer for four (4) semesters. In such circumstances, the
Sessional Lecturer who was appointed to the conflicting work assignment will earn seniority
and RoFR to the course.
Letter of Understanding 1
Sessional Lecturer Appointments and Student Stipends

Where a Sessional Lecturer is also a graduate student, the compensation associated with an appointment as a Unit 2 Bargaining Unit member will only form part of a guaranteed minimum stipend if the University’s Offer of Admission to the graduate student clearly specifies a Sessional Lecturer course work assignment in a specific semester or, at a minimum, a specific academic year as part of their program requirements. The student’s guaranteed minimum stipend may include a maximum of one (1) such Sessional Lecturer appointment (and only if clearly specified in the ‘Offer of Admission’) for the duration of their academic program.

Employment Insurance

It is understood that for Employment Insurance (EI) purposes only, each full semester work assignment shall be considered 267 hours for EI reporting purposes up to a maximum of 672 hours per semester. It is understood that should a Sessional Lecturer not teach the complete semester and/or the work assignment is proportionate, the reported work hours shall be pro-rated accordingly for EI reporting purposes.

The Parties understand that this arrangement is established for EI purposes only and is without prejudice to the position of the Parties, and shall in no way affect the interpretation, application and administration of the Collective Agreement and any University policies and practices, and shall not be relied on or referred to in any proceedings other than those under the Employment Insurance Act or applicable Regulations.

It is further acknowledged that this arrangement is subject to the EI Act and Regulations and becomes null and void in the event that EI directs that the practice be discontinued.

Similarly, consideration and selection of such applications shall be made in accordance with the provisions of Article 11.

It is further understood, however, that such applicants (as non-employees) do not have rights to other provisions of the Collective Agreement.

Reading Course Work Assignments

Further to the Collective Agreement between the Canadian Union of Public Employees, Local 3913, Unit 2 and the University of Guelph, it is agreed that in situations whereby a Sessional Lecturer is employed to lead a degree credit course that is determined by the University to be a ‘reading course’, the following terms and conditions will be applicable. It is agreed that it is at the sole discretion of the University whether or not the reading course will be made available as a Sessional Lecturer work assignment.

It is agreed that, due to the nature of assignment of reading course instructors, the posting provisions of Article 11 shall not apply; however, Departments shall be required to provide reasons for a Sessional Lecturer not being appointed to a particular reading course work assignment. Such reasons shall be provided in writing to FASR, who in turn shall provide such reasons to the Union. Appointments to reading courses will be made in accordance with 11.05, with appointment letters indicating that the work assignment is a reading course.

It is agreed that Sessional Lecturers appointed to a reading course shall be compensated in accordance with the provisions of Letter of Understanding 1, that is, at the appropriate pro-rated work assignment percentage, as determined by the Department. The pro-rating, by the Department, shall be based on either the percentage of workload (based on a full semester work assignment) or the percentage of time (based on a full semester). At the request of either Party a meeting shall be convened to discuss the specific course(s) and implementation arrangements.

It is further understood that the Seniority provisions of Article 20 are applicable to reading course Sessional Lecturers.

Severance Pay

A Sessional Lecturer who has worked for five (5) or more consecutive years as a Sessional Lecturer earning a minimum of five (5) seniority points in that time and who applies and is not successful in obtaining any work as a Sessional Lecturer in an semester shall be eligible for a severance payment of two (2) weeks’ pay for each completed year (September to August 31) worked to a maximum of thirty (30) weeks. The weekly rate of pay used for the severance payment will be based on the Sessional Lecturer’s last two (2) semesters of work. Upon an employee’s acceptance of the severance entitlement outlined above, the employment relationship will be terminated for all purposes (including the loss of all accrued Bargaining Unit seniority and Rights of First Refusal). The severance payment will be inclusive of all possible entitlements to pay in lieu of notice or severance pay pursuant to the Employment Standards Act.

</tr>
</tbody>
</table>

* Sept. 1, 2015 reflects current percentage contributions for CUPE Local 3913 members.
** The rates above are established as the maximum member contribution rates.

The University and the Union agree in principle to a negotiated framework for the sharing of Normal Actuarial Cost of the Retirement Pension Plan through collective bargaining. Under this framework, should the most current valuation report filed prior to September 1 of each year show an increase in the University’s Normal Actuarial Cost to a level above 100% of the member contribution rates at that time the University will meet with the Union to review the applicable valuation results including support for the Normal Actuarial Cost increase.

This review will include documentation prepared by the Plan’s actuary who certifies the new Normal Actuarial Cost requirement in respect of the CUPE Local 3913 members, including a summary of the underlying CUPE Local 3913 membership data used to prepare the valuation results.

Pending such certification of results by the Plan Actuary, member contribution rates will increase to fund 50% of that portion of the University’s Normal Actuarial Cost above 100% of member contributions at the time of the valuation. Under this calculation, member contributions will be subject to a maximum increase of 0.25%, to be implemented effective September 1, 2017 and September 1, 2018. Unless otherwise provided for under this Schedule, member contribution rate increases will not exceed 0.50% during the term of the Collective Agreement. The Employer contribution rates will continue to be determined by the Plan Actuary, but in no case shall be less than the member rates.

Precise determination of any adjustments to member contribution rates will be made by the Plan Actuary with due consideration being given to the importance of recognizing earnings below and above the Year’s Maximum Pensionable Earnings (YMPE).

Termination Benefits

Upon written request of the Union, the University agrees to discuss termination benefits previously provided for under the Plan, during the first round of bargaining subsequent to the Plan reaching a funding level at which University special payments are not required.
Contribution Holidays

The University agrees that should the Retirement Plan reach full funding status during the term of the agreement it will not take contribution holidays, unless otherwise prescribed by legislation.

University Pension Plan (UPP) & the Retirement Pension Plan

It is recognized that discussions are underway with respect to the UPP (University Pension Plan) initiative with the objective of forming a multi-employer JSPP (Jointly Sponsored Pension Plan), within the sector. The above contribution above will be subject change should there be the ratification of a JSPP proposal by plan members including CUPE Local 3913 and the University.

CUPE 1334 Pension Benefits

During the term of this agreement, should the University reach a signed agreement with CUPE 1334 that provides for annual increases to pension payments indexed to CPI for members of CUPE 1334, the University agrees to adjust the pension benefits provided to CUPE 3913 members to match.

Effective on ratification of the Agreement, the Pension Plan will be amended to eliminate the following portion of Section 9.02 Early Retirement, Section (c) (ii):

‘….provided, however, that such reduction shall not apply if the Member has attained age sixty (60) and his retirement is requested by the University.’

And furthermore the University will cease the practice of inviting and approving Applications for Retirement under the Rule of 60. Effective on ratification, no member shall be eligible for unreduced early retirement solely on the basis of being 60 years of age or older.

The University agrees to a discussion of providing a temporary window of ninety (90) days equivalent to the ‘Rule of 60’ at the first round of bargaining subsequent to the Plan reaching a solvency funding ratio of at least 100%.
